9. Recipient Subagreements and Procurements

- a. **Subagreements.** Recipient may enter into agreements with sub-recipients, contractors or subcontractors (collectively, "subagreements") for performance of the Project.
 - i. All subagreements must be in writing executed by Recipient and must incorporate and pass through all of the applicable requirements of this Agreement to the other party or parties to the subagreement(s). Use of a subagreement does not relieve Recipient of its responsibilities under this Agreement.
 - ii. Recipient shall require all of its contractors performing work under this Agreement to name State as a third-party beneficiary of Recipient's subagreement with the contractor and to name State as an additional or "dual" obligee on contractors' payment and performance bonds.

 - iv. Recipient must report to State any material breach of a term or condition of a subagreement within ten (10) days of Recipient discovering the breach.
- b. Recipient shall review the *Best Practices Procurement Manual*, a technical assistance manual prepared by the FTA, available on the FTA website: www.fta.dot.gov/grants/13054_6037.html
- c. **Subagreement indemnity; insurance**
 - i. ***Recipient's subagreement(s) shall require the other party to such subagreements(s) that is not a unit of local government as defined in ORS 190.003, if any, to indemnify, defend, save and hold harmless State and its officers, employees and agents from and against any and all claims, actions, liabilities, damages, losses, or expenses, including attorneys' fees, arising from a tort, as now or hereafter defined in ORS 30.260, caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of the other party to Recipient's subagreement or any of such party's officers, agents, employees or subcontractors ("Claims"). It is the specific intention of the Parties that the State shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the State, be indemnified by the other party to Recipient's subagreement(s) from and against any and all Claims.***
 - ii. Any such indemnification shall also provide that neither Recipient's subrecipient(s), contractor(s) nor subcontractor(s) (collectively "Subrecipients"), nor any attorney engaged by Recipient's Subrecipient(s), shall defend any claim in the name of the State or any agency of the State of Oregon, nor purport to act as legal representative of the State of Oregon or any of its agencies, without the prior written consent of the Oregon Attorney General. The State may, at any time at its election, assume its own defense and settlement in the event that it determines that Recipient's Subrecipient is prohibited from defending State or that Recipient's Subrecipient is not adequately defending State's

interests, or that an important governmental principle is at issue or that it is in the best interests of State to do so. State reserves all rights to pursue claims it may have against Recipient's Subrecipient if State elects to assume its own defense.

- iii. Recipient shall require the other party, or parties, to each of its subagreements that are not units of local government as defined in ORS 190.003 to obtain and maintain insurance requirements provided in Exhibit C to this Agreement. Recipient may specify insurance requirements of its contractor(s) above the minimum insurance requirements specified in Exhibit C. Recipient shall verify its contractor(s) meet the insurance requirements in Exhibit C.
- d. **Procurements.** Recipient shall make purchases of any equipment, materials, or services for the Project under procedures that comply with Oregon law, as applicable, including all applicable provisions of the Oregon Public Contracting Code and rules, and in conformance to FTA Circular 4220.1F, Third Party Contracting Requirements including:
 - i. All applicable clauses required by federal statute, executive orders and their implementing regulations are included in each competitive procurement;
 - ii. All procurement transactions are conducted in a manner providing full and open competition;
 - iii. Procurements exclude the use of statutorily or administratively imposed in-state or geographic preference in the evaluation of bids or proposals (with exception of locally controlled licensing requirements);
 - iv. Construction, architectural and engineering procurements are based on Brooks Act procedures unless the procurement is subject to ORS 279C.100 to 279C.125.
- e. **Conflict of Interest.** Recipient's public officials shall comply with Oregon's government ethics laws, ORS 244.010 et seq., as those laws may be subsequently amended.

10. Termination

- a. **Termination by State.** State may terminate this Agreement effective upon delivery of written notice of termination to Recipient, or at such later date as may be established by State in such written notice, if:
 - i. Recipient fails to perform the Project within the time specified herein or any extension thereof or commencement, continuation or timely completion of the Project by Recipient is, for any reason, rendered improbable, impossible, or illegal; or
 - ii. State fails to receive funding, appropriations, limitations or other expenditure authority sufficient to allow State, in the exercise of its reasonable administrative discretion, to continue to make payments for performance of this Agreement; or
 - iii. Federal or state laws, rules, regulations or guidelines are modified or interpreted in such a way that the Project is no longer allowable or no longer eligible for funding under this Agreement; or
 - iv. The Project would not produce results commensurate with the further expenditure of funds; or
 - v. Recipient takes any action pertaining to this Agreement without the approval of State and which under the provisions of this Agreement would have required the approval of State.
- b. **Termination by Recipient.** Recipient may terminate this Agreement effective upon delivery of written notice of termination to State, or at such later date as may be established by Recipient in such written notice, if:
 - i. The requisite local funding to continue the Project becomes unavailable to Recipient; or
 - ii. Federal or state laws, rules, regulations or guidelines are modified or interpreted in such a way that the Project is no longer allowable or no longer eligible for funding under this Agreement.

- c. **Termination by Either Party.** Either Party may terminate this Agreement upon at least ten days' notice to the other Party and failure of the other Party to cure within the period provided in the notice, if the other Party fails to comply with any of the terms of this Agreement.

11. General Provisions

- a. **Amendments.** This Agreement may be amended or extended only by a written instrument signed by both Parties and approved as required by applicable law.

- b. **Contribution.**

- i. If any third party makes any claim or brings any action, suit or proceeding alleging a tort as now or hereafter defined in ORS 30.260 ("Third Party Claim") against State or Recipient with respect to which the other Party may have liability, the notified Party must promptly notify the other Party in writing of the Third Party Claim and deliver to the other Party a copy of the claim, process, and all legal pleadings with respect to the Third Party Claim. Each Party is entitled to participate in the defense of a Third Party Claim, and to defend a Third Party Claim with counsel of its own choosing. Receipt by a Party of the notice and copies required in this paragraph and meaningful opportunity for the Party to participate in the investigation, defense and settlement of the Third Party Claim with counsel of its own choosing are conditions precedent to that Party's liability with respect to the Third Party Claim.
- ii. Except as otherwise provided in Paragraph 11.c below, with respect to a Third Party Claim for which State is jointly liable with Recipient (or would be if joined in the Third Party Claim), State shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by Recipient in such proportion as is appropriate to reflect the relative fault of the State on the one hand and of the Recipient on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of State on the one hand and of Recipient on the other hand shall be determined by reference to, among other things, the Parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. State's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law, including the Oregon Tort Claims Act, ORS 30.260 to 30.300, if State had sole liability in the proceeding.
- iii. Except as otherwise provided in Paragraph 11.c below, with respect to a Third Party Claim for which Recipient is jointly liable with State (or would be if joined in the Third Party Claim), Recipient shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by State in such proportion as is appropriate to reflect the relative fault of Recipient on the one hand and of State on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of Recipient on the one hand and of State on the other hand shall be determined by reference to, among other things, the Parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. Recipient's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law, including the Oregon Tort Claims Act, ORS 30.260 to 30.300, if it had sole liability in the proceeding.

- c. **Indemnification.**

- i. Subject to any limitations imposed by State law and the Oregon Constitution, Recipient agrees to the following contract-related indemnification for all projects authorized under this Agreement:
- ii. Where Recipient contracts for services or performs project management for a project, Recipient shall accept all responsibility, defend lawsuits, indemnify, and hold State harmless, for all contract-related claims and suits. This includes but is

not limited to all contract claims or suits brought by any contractor, whether arising out of the contractor's work, Recipient's supervision of any individual project or contract, or Recipient's failure to comply with the terms of this Agreement.

Sections 11.b and 11.c shall survive termination of this Agreement.

- d. **Insurance.** Recipient shall meet the insurance requirements within Exhibit C.
- e. **Dispute Resolution.** The Parties shall attempt in good faith to resolve any dispute arising out of this Agreement. In addition, the Parties may agree to utilize a jointly selected mediator or arbitrator (for non-binding arbitration) to resolve the dispute short of litigation.
- f. **Responsibility for Grant Funds.** Any recipient of Grant Funds, pursuant to this Agreement with State, shall assume sole liability for that recipient's breach of the conditions of this Agreement, and shall, upon recipient's breach of conditions that requires State to return funds to the FTA, hold harmless and indemnify State for an amount equal to the funds received under this Agreement; or if legal limitations apply to the indemnification ability of the recipient of Grant Funds, the indemnification amount shall be the maximum amount of funds available for expenditure, including any available contingency funds or other available non-appropriated funds, up to the amount received under this Agreement.
- g. **Duplicate Payment.** Recipient is not entitled to compensation or any other form of duplicate, overlapping or multiple payments for the same work performed under this Agreement from any agency of the State of Oregon or the United States of America or any other party, organization or individual.
- h. **No Third Party Beneficiaries.** State and Recipient are the only Parties to this Agreement and are the only Parties entitled to enforce its terms. Nothing in this Agreement gives, is intended to give, or shall be construed to give or provide any benefit or right, whether directly or indirectly, to a third person unless such a third person is individually identified by name herein and expressly described as an intended beneficiary of the terms of this Agreement.

Recipient acknowledges and agrees that the Federal Government, absent express written consent by the Federal Government, is not a party to this Agreement and shall not be subject to any obligations or liabilities to the Recipient, contractor or any other party (whether or not a party to the Agreement) pertaining to any matter resulting from the this Agreement.

- i. **Notices.** Except as otherwise expressly provided in this Agreement, any communications between the Parties hereto or notices to be given hereunder shall be given in writing by personal delivery, facsimile, email, or mailing the same, postage prepaid, to Recipient Contact or State Contact at the address or number set forth on the signature page of this Agreement, or to such other addresses or numbers as either Party may hereafter indicate pursuant to this subsection. Any communication or notice personally delivered shall be deemed to be given when actually delivered. Any communication or notice delivered by facsimile shall be deemed to be given when receipt of the transmission is generated by the transmitting machine, and to be effective against State, such facsimile transmission must be confirmed by telephone notice to State Contact. Any communication by email shall be deemed to be given when the recipient of the email acknowledges receipt of the email. Any communication or notice mailed shall be deemed to be given when received.
- j. **Governing Law, Consent to Jurisdiction.** This Agreement shall be governed by and construed in accordance with the laws of the State of Oregon without regard to principles of conflicts of law. Any claim, action, suit or proceeding (collectively, "Claim") between State (or any other agency or department of the State of Oregon) and Recipient that arises from or relates to this Agreement shall be brought and conducted solely and exclusively within the Circuit Court of Marion County in the State of Oregon. In no event shall this section be construed as a waiver by the State of Oregon of any form of defense or immunity, whether sovereign immunity, governmental immunity, immunity based on the eleventh amendment to the Constitution of the United States or otherwise, from any

Claim or from the jurisdiction of any court. EACH PARTY HEREBY CONSENTS TO THE EXCLUSIVE JURISDICTION OF SUCH COURT, WAIVES ANY OBJECTION TO VENUE, AND WAIVES ANY CLAIM THAT SUCH FORUM IS AN INCONVENIENT FORUM.

- k. **Compliance with Law.** Recipient shall comply with all federal, state and local laws, regulations, executive orders and ordinances applicable to the Agreement or to the implementation of the Project, as applicable to Recipient, including without limitation as described in Exhibit D. Without limiting the generality of the foregoing, Recipient expressly agrees to comply with (i) Title VI of Civil Rights Act of 1964; (ii) Title V and Section 504 of the Rehabilitation Act of 1973; (iii) the Americans with Disabilities Act of 1990 and ORS 659A.142; (iv) all regulations and administrative rules established pursuant to the foregoing laws; and (v) all other applicable requirements of federal and state civil rights and rehabilitation statutes, rules and regulations.
- l. **Independent Contractor.** Recipient shall perform the Project as an independent contractor and not as an agent or employee of State. Recipient has no right or authority to incur or create any obligation for or legally bind State in any way. State cannot and will not control the means or manner by which Recipient performs the Project, except as specifically set forth in this Agreement. Recipient is responsible for determining the appropriate means and manner of performing the Project. Recipient acknowledges and agrees that Recipient is not an "officer", "employee", or "agent" of State, as those terms are used in ORS 30.265, and shall not make representations to third parties to the contrary.
- m. **Severability.** If any term or provision of this Agreement is declared by a court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and provisions shall not be affected, and the rights and obligations of the Parties shall be construed and enforced as if this Agreement did not contain the particular term or provision held to be invalid.
- n. **Counterparts.** This Agreement may be executed in two or more counterparts (by facsimile or otherwise), each of which is an original and all of which together are deemed one agreement binding on all Parties, notwithstanding that all Parties are not signatories to the same counterpart.
- o. **Integration and Waiver.** This Agreement, including all Exhibits, constitutes the entire agreement between the Parties on the subject matter hereof. There are no understandings, agreements, or representations, oral or written, not specified herein regarding this Agreement. The delay or failure of either Party to enforce any provision of this Agreement shall not constitute a waiver by that Party of that or any other provision. Recipient, by the signature below of its authorized representative, hereby acknowledges that it has read this Agreement, understands it, and agrees to be bound by its terms and conditions.
- p. **Survival.** The following provisions survive termination of this Agreement: Sections 6.c., 8 and 11.

The Parties, by execution of this Agreement, hereby acknowledge that each Party has read this Agreement, understands it, and agrees to be bound by its terms and conditions.

The Oregon Transportation Commission on October 20, 2010, approved Delegation Order Number OTC-01, which authorizes the Director of the Oregon Department of Transportation to administer programs related to public transit.

1. PROJECT DESCRIPTION

A. Purchased Service

Provide funding to purchase service to provide public transportation for seniors and individuals with disabilities, and the general public, in and around Curry County and to support the administrative costs required to manage the service contract.

Projects supported are Dial a Ride (demand service) in Brookings, Gold Beach and Port Orford. The Brookings Dial a Ride operates Monday through Saturday from 8:30am to 5:00pm. Service area is 3 miles north and south of town center and 3 miles up both banks of Chetco River. Gold Beach Dial a Ride operates 4 days a week from 9:00am to 2:00pm Monday and Tuesday and 9:00am to 4:00pm Thursday and Friday.

2. PROJECT DELIVERABLES

A. Purchased Service

The contracted service will be provided by a contractor or pass-through subrecipient selected by Recipient, and will be designed to benefit seniors and individuals with disabilities, and may also be made available to the general public.

The service, schedule, days, hours, and service type includes will be designed to meet the needs of seniors and individuals with disabilities as determined by Recipient in consultation with the operator of service, the affected community members, and stakeholders identified by Recipient.

Services will be provided in accordance with the locally adopted Coordinated Public Transit Human Services Transportation Plan (Coordinated Plan). Recipient and contractor or pass-through subrecipient will coordinate the delivery of transportation services with other public and private transportation providers to enhance regional services and to avoid duplication of services. Coordinated service may be made available to a variety of potential users.

Recipient may amend the service design at any time in accordance with local demand, funding issues, changes in the Coordinated Plan, or other situations that require service to be changed. Recipient will inform State if there is a change in the service funded by this Agreement.

Recipient will market the services to the populations targeted with the 5310 funding.

Recipient will oversee and monitor the services and performance of the contractor or pass-through subrecipient.

The following performance measure will be used to evaluate the effectiveness of the project.

A ridership goal is established for this project as follows.

For 2023-2024: 10,000 Individuals, 12,500 one way rides.

For 2024-2025: 10,000 Individuals, 12,500 one way rides.

Ridership is defined as the actual or estimated one-way passenger trips provided to seniors and individuals with disabilities. A passenger trip is a unit of service counted each time a passenger enters a vehicle, is transported, then exits the vehicle. Each unique destination constitutes a passenger trip.

3. PROJECT ACCOUNTING, MATCHING FUNDING and SPENDING PLAN

This Agreement covers contracted public transportation provision, as defined under the 49 USC § 5310 program, as described in Circular 9070.1G, Section III-14-e.

Generally accepted accounting principles and the Recipient's accounting system determine those costs that are to be accounted for as gross operating expenses. Recipient may not count the same costs twice if they have multiple agreements for which these costs may be eligible. The service provider may use capital equipment funded under USDOT- or State-source agreements when performing services rendered through a contract or subagreement funded by this Agreement. Depreciation of capital equipment funded from USDOT- or State-source grants is not an eligible expense.

Sources of funding that may be used as matching funding for this Agreement include Statewide Transportation Improvement Formula Funds, other local funds, service contract revenue, advertisement income, other earned income, cash donations, and other verifiable in-kind contributions that are integral to the project budget. Recipient may not use passenger fares as matching funding.

A. Purchased Service

Recipient will subtract revenue from fares, tickets and passes whether pre-paid or post-paid, from the gross operating expense of the service. Administrative expenses incurred by the contractor or pass-through subrecipient are reimbursable as operating expenses. Under this Agreement, State will bear the sum remaining after the amount of Recipient's required share of local matching funds is subtracted from the total project expenses.

Recipient may not use assets acquired under this Agreement to compete unfairly with the private sector.

State's obligation to disburse Grant Funds to Recipient under this Agreement is contingent upon the availability of appropriated funds from which payment can be made. Therefore, Grant Funds shall be disbursed according to the following disbursement schedule. This schedule is based on the standard Agreement term of two fiscal years, each running from July 1 through June 30.

Disbursement Schedule

First year maximum disbursement: no more than 50 percent of the total grant amount regardless of the amount of any reimbursement requested. A partial payment may be made by State if Recipient request more than this amount in the first fiscal year period.

Second year maximum disbursement: no more than 50 percent of the total amount plus any remaining portion from the first fiscal year period.

4. REPORTING AND/OR INVOICING REQUIREMENTS

Recipient should provide a narrative describing milestones reached and goals achieved in the Agency Periodic Report notes section.

A. Purchased Service

All purchased service costs should include the invoice for the quarter services were provided. Invoices should include a description of the services provided, the hours, miles or other metrics used to provide justification of the costs for reimbursement. Recipient shall not authorize work to begin under subagreements until the insurance is in full force. Thereafter, Recipient shall monitor continued compliance with the insurance requirements on an annual or more frequent basis. Recipient shall incorporate appropriate provisions in the subagreement permitting it to enforce compliance with the insurance requirements and shall take all reasonable steps to enforce such compliance. In no event shall Recipient permit work under a subagreement when Recipient is aware that the contractor is not in compliance with the insurance requirements. As used in this section, "first tier" means a subagreement in which the Recipient is a Party.

2. TYPES AND AMOUNTS.
