NOTICE OF CONSTRUCTION

Beginning Wednesday, June 26th, the City of Lebanon will be repairing a sanitary sewer lateral on Williams Street between E Oak and E Grant Streets. During construction (from 7:30 a.m. to 5:30 p.m.), this section of Williams Street will be controlled by flaggers. Construction is expected to last two days.

Residents in the impacted area will be afforded reasonable access but should expect short periods of time where access to individual driveways may not be possible in addition to periodic delays and other related inconveniences.

We appreciate your patience and cooperation as we perform the necessary work. If you have any questions or concerns, please contact Engineering at 541-258-4923 or engineering@lebanonoregon.gov
