CONDITIONS OF GRANT

Subject to the provisions of the Communications Act of 1934, as amended, subsequent acts, treaties, and all regulations heretofore or hereafter made by this Commission, and further subject to the conditions and requirements set forth in this authorization, the licensee hereof is authorized to use and operate the radio transmitting facilities herein described. This authorization shall not vest in the licensee any right to operate the station nor any right in the use of the frequencies designated in the authorization beyond the term hereof, nor in any other manner than authorized herein.

Neither this authorization nor the right granted herein shall be assigned or otherwise transferred to any person, firm, company, or corporation except by specific authorization of the Commission.

This license is issued on the licensee's representation that the statements contained in the licensee's application are true and that the undertakings therein contained, so far as they are consistent herewith, will be carried out in good faith. The licensee shall, during the term of this license, render service that will serve the public interest, convenience, or necessity to the full extent of the privileges herein conferred.

Operation is governed by Part 101 of the Commission's Rules.

This license is subject to the right of use or control by the Government of the United States conferred by Section 706 of the Communications Act of 1934, as amended.
