CONTRACT NUMBER #084 - 97

CHANGE LETTER D

INTERGOVERNMENTAL AGREEMENT CONTRACT AMENDMENT

This amendment is made and entered into for the period of July 1, 2000 through June 30, 2001, by and between CHEMEKETA COMMUNITY COLLEGE hereinafter called COLLEGE and NEWBERG, OREGON, an Oregon municipal corporation, hereinafter called the CITY.

1. Addendum number four (4) to original contract number 08497.
2. The contract entered into on January 14, 1997, between the COLLEGE and CITY shall be amended as follows:

2.0 COMPENSATION, point 2.1 is changed to read as follows:

CITY will be compensated by COLLEGE in the amount of \$13,171.04 as compensation for the CITY providing nonresident library service for the residents of the COLLEGE District. Payments shall be made in four equal installments of \$3,292.76 at the end of each quarter.

In consideration for participation in the CCRLS system and in lieu of taxes, since the CITY is outside the area taxed to provide this service, the CITY will pay to the COLLEGE the sum of \$30,000.00 on or before 15 of December.

The CITY shall accept financial responsibility for connection to the CCRLS Wide Area Network, as provided in §3.1.3.d., either by direct payment to the telecommunication provider and/or by reimbursement to CCRLS for costs incurred on behalf of the CITY.

The CITY shall pay the COLLEGE the additional amount of \$1,000.00 as compensation for the equipment and service provided by CCRLS under §3.1.3.d. Equipment provided under §3.1.3.d shall remain the property of CCRLS as provided in §6.4. The CITY will pay to the COLLEGE the sum of \$1,000.00 on or before 15 of December.

2.0 COMPENSATION, subsection point 2.2 is added which reads as follows:

The COLLEGE shall pay the CITY for each net loan provided, i.e., the difference between the number of CITY items loaned to and checked out in another library and the number of items owned by other libraries borrowed and checked out by the CITY library. Tabulation of net loans shall be provided by the CCRLS automated integrated library system.

A budget of \$45,000 shall be designated for this program for 2000-2001 with \$11,250 budgeted each quarter. The CITY shall be paid its pro rata share on a quarterly basis.

3.0 Responsibilities of College, subsection point 3.1.3 n is changed to read as follows:

In serving card holding CCRLS district nonresident patrons, COLLEGE shall abide by each CITY's rules and procedures regarding borrowing privileges. In no case shall card holding residents of the CCRLS district receive less than the basic level of service from COLLEGE.

4.0 Responsibilities of City, subsection point 4.1.1 is changed to read as follows: CITY will provide at least the basic level of service to nonresidents within the COLLEGE District. Basic level of service is defined as one checkout and one hold per person at a time, utilizing individual rather than household cards.

CITY shall provide free borrowing privileges to card holding residents of other participating CCRLS cities (including Silver Falls District.)

In no case shall card holding residents of the CCRLS district receive less than the basic level of service from CITY.

CITY shall provide full borrowing privileges for all currently registered COLLEGE students who present a valid library card.

CITY shall notify each current non-resident card holder at least 30 days prior to instituting a fee for service above the basic level. No advance notification is necessary for fee increases.

3. In performing the above, it is understood and agreed that all other terms and conditions of the original contract are still in effect.
