Whistler's Ridge 2 Subdivision

Planning Division File #:S-28-01

Tax Lot #'s 3208-3400

THIS AGREEMENT made and entered into this 3 day of June, 2002, by and between the **CITY OF NEWBERG**, a municipal corporation in the County of Yamhill, State of Oregon, hereinafter referred to as **CITY** and **Sunnyridge Partners, LLC** hereinafter referred to as **SUBDIVIDER**.

RECITALS

1. **SUBDIVIDER** has petitioned the **CITY** to accept a subdivision plat known as "Whistler's Ridge 2" located in the City of Newberg, Oregon.
2. The **CITY**'s subdivision ordinance and applicable ordinances and laws of the **CITY**, require that the **SUBDIVIDER** execute and file with the **CITY** an agreement providing for, among other things, the period within which all required improvements shall be made within said subdivision and that if such work is not completed within the period specified, the **CITY** may complete the same and recover the full cost and expenses thereof from the **SUBDIVIDER**.
3. The **CITY** is agreeable to acceptance of said subdivision plat upon the execution of this agreement and compliance by the **SUBDIVIDER** with the provisions of the **CITY** subdivision ordinance, as amended.

NOW, THEREFORE, in consideration of the mutual promises, covenants and agreements of the parties, it is agreed as follows:

1. The **SUBDIVIDER** agrees to install all of the required public improvements as provided in the **CITY** subdivision ordinance and binds itself to use such materials and to so construct all of the improvements according to **CITY** standards as defined by the applicable ordinances, the approved construction plans, and the rules and regulations of the **CITY** as shown on the subdivision plat.
2. The **SUBDIVIDER** agrees to provide for the restoration of any monuments erected or used for the purpose of designating a survey marker or boundary of any town, tract, plat or parcel of land which monument is broken down, damaged or obliterated, removed or destroyed, whether willfully or not, by the **SUBDIVIDER**, its agents, employees or contractors.

3. If the subdivision plat is recorded prior to completion and acceptance of all improvements and conditions of approval: The **SUBDIVIDER** agrees that all of remaining public improvements shall be completed on or before the **1st day of September, 2002**; the **SUBDIVIDER** agrees that in case it shall abandon the work or fail to make satisfactory progress on the work, the **CITY** may cause the work to be completed by contract or by its own forces; the **SUBDIVIDER** shall be liable to the **CITY** for any and all loss and damage from such default, either from the greater expense of so completing or repairing faulty or damaged work, or from any other related course; and upon execution of this agreement, the **SUBDIVIDER** shall deliver to the **CITY** a bond for the purposes assuring **SUBDIVIDER's** full and faithful completion of the required improvements within said subdivision. The only remaining item to complete is the planting of the street trees. The amount of the landscaping bond is to be 110% of the **\$1,620.00** estimated cost of the unfinished work which amounts to **\$1,782.00**. The street trees must be planted in front of any home prior to receiving final occupancy on that home.

4. At such time as all required improvements, except sidewalks along the vacant parcels and miscellaneous improvements, within the subdivision, **have been completed** in accordance with the **CITY's** requirements, the **SUBDIVIDER** shall serve written notification to the **CITY** of the readiness for final inspection. Upon certification by the City Engineer that all requirements of the **CITY** have been met, the **SUBDIVIDER** will submit to the **CITY** a maintenance bond or other such security in a form approved by the **CITY** in the sum of **15%** of the total public improvement costs as per the estimate dated October 25, 2001 to provide for the correction of any defective materials or workmanship for a period of two (2) years after final acceptance as defined by **CITY** ordinances. The amount of the bond is to be 15% of the **\$49,491.00** total cost of public improvements which amounts to **\$7,423.65**.

5. The **SUBDIVIDER** agrees that sidewalks and miscellaneous improvements within said subdivision shall be completed no later than the time that such buildings are erected upon lots in the subdivision and occupancy permits are issued. Occupancy permits for said buildings may be withheld pending completion of sidewalks and miscellaneous improvements.

6. The conditions, covenants and restrictions, if any, shall be approved by the **CITY** and recorded prior to the sale of any lots.

7. The **CITY** agrees to accept the completed required subdivision improvements upon certification by the City Engineer:

- (a) That all required subdivision improvements have been constructed in accordance with applicable **CITY** standards;
- (b) **SUBDIVIDER** has fulfilled the requirements of the **CITY's** subdivision ordinance;
- (c) **SUBDIVIDER** has provided a copy of the recorded maintenance agreement for any common improvements that are not accepted for maintenance by the **CITY**;

- (h) **SUBDIVIDER** agrees to reimburse the developer of Fenway Park Subdivision for storm water detention facility costs in accordance with the proposed advanced financing agreement, dated November 19, 1999. **SUBDIVIDER** agrees to supply **CITY** with proof of this transaction.
- (i) A signalization fee, in the amount of \$205.00, will be charged on each lot at the time that building permits are issued.
- (j) **SUBDIVIDER** agrees to pay an engineering fee to cover final review and inspection requiring connection to the improvements. The estimated cost of the improvement, based on the engineer's estimate dated October 25, 2001, is \$49,491.00. The amount of engineering fees is estimated to be 5% of the total cost of all improvements per the engineer's estimated dated October 25, 2001, which said amount is **\$2,474.55**.
