- a) If City fails to provide services called for by this Agreement within the time specified herein or any extension thereof.
- b) If City fails to perform any of the other provisions of this Agreement, or so fails to pursue the work as to endanger performance of this Agreement in accordance with its terms, and after receipt of written notice from ODOT fails to correct such failures within 10 days or such longer period as ODOT may authorize.
- c) If ODOT fails to receive funding, appropriations, limitations or other expenditure authority at levels sufficient to pay for the work provided in the Agreement.

Any termination of this Agreement shall not prejudice any rights or obligations accrued to the parties prior to termination.

2. City acknowledges and agrees that ODOT, the Oregon Secretary of State's Office, the federal government, and their duly authorized representatives shall have access to the books, documents, papers, and records of City that are directly pertinent to this specific Agreement for the purpose of making audit, examination, excerpts and transcripts for a period of three years after final payment. There are no understandings, agreements, or representations, oral or written, not specified herein regarding this Agreement. No waiver, consent, modification or change of terms of this Agreement shall bind either party unless in writing and signed by both parties and all necessary approvals have been obtained. Such waiver, consent, modification or change, if made, shall be effective only in the specific instance and for the specific purpose given. The failure of ODOT to enforce any provisions of this Agreement shall not constitute a waiver by ODOT of that or any other provision.

IN WITNESS WHEREOF, the parties hereto have set their hands and affixed their seals as of the day and year hereinafter written.

II. INSTRUCTIONS FOR CERTIFICATION REGARDING DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS-PRIMARY COVERED TRANSACTIONS

1. By signing this contract, the Contractor is providing the certification set out below.
2. The inability to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The Contractor shall explain why he or she cannot provide the certification set out below. This explanation will be considered in connection with the Oregon Department of Transportation determination to enter into this transaction. Failure to furnish an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when the Department determined to enter into this transaction. If it is later determined that the Contractor knowingly rendered an erroneous certification, in addition to other remedies available

to the Federal Government or the Department may terminate this transaction for cause of default.

4. The Contractor shall provide immediate written notice to the Department to whom this proposal is submitted if at any time the Contractor learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

Each participant may, but is not required to, check the Nonprocurement List published by the U. S. General Services Administration.

Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government or the Department, the Department may terminate this transaction for cause or default.

Contractor shall not participate either directly or indirectly in the discrimination prohibited by Section 21.5 of the Regulations, including employment practices, when the contract covers a program set forth in Appendix B of the Regulations.
2. **Solicitation for Subcontractors, including Procurement of Materials and Equipment.** In all solicitations, either by competitive bidding or negotiations made by Contractor for work to be performed under a subcontract, including procurement of materials and equipment, each potential subcontractor or supplier shall be notified by Contractor of Contractor's obligations under this contract and regulations relative to nondiscrimination on the grounds of race, creed, color, sex or national origin.
3. **Nondiscrimination in Employment (Title VII of the 1964 Civil Rights Act).** During the performance of this contract, Contractor agrees as follows:
 - a. Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, sex or national origin. Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, creed, color, sex or national origin. Such action shall include, but not be limited to the following: employment, upgrading, demotion or transfer;

recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notice setting forth the provisions of this nondiscrimination clause.

4. **Information and Reports.** Contractor will provide all information and reports required by the Regulations or orders and instructions issued pursuant thereto, and will permit access to his books, records, accounts, other sources of information, and his facilities as may be determined by Department or FHWA as appropriate, and shall set forth what efforts he has made to obtain the information.
5. **Sanctions for Noncompliance.** In the event of Contractor's noncompliance with the nondiscrimination provisions of the contract, Department shall impose such agreement sanctions as it or the FHWA may determine to be appropriate, including, but not limited to:
 - a. Withholding of payments to Contractor under the agreement until Contractor complies; and/or
 - b. Cancellation, termination or suspension of the agreement in whole or in part.
6. **Incorporation of Provisions.** Contractor will include the provisions of paragraphs 1 through 6 of this section in every subcontract, including procurement of materials and leases of equipment, unless exempt from Regulations, orders or instructions issued pursuant thereto. Contractor shall take such action with respect to any subcontractor or procurement as Department or FHWA may direct as a means of enforcing such provisions, including sanctions for noncompliance; provided, however, that in the event Contractor becomes involved in or is threatened with litigation with a subcontractor or supplier as a result of such direction, Department may, at its option, enter into such litigation to protect the interests of Department, and, in addition, Contractor may request Department to enter into such litigation to protect the interests of the State of Oregon.

Consequently, the DBE requirements of 49 CFR 26 apply to this contract.

Required Statement For USDOT Financial Assistance Agreement. If as a condition of assistance the Agency has submitted and the US Department of Transportation has approved a Disadvantaged Business Enterprise Affirmative Action Program which the Agency agrees to carry out, this affirmative action program is incorporated into the financial assistance agreement by reference.

The contractor shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of such contracts. Failure by the contractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy as ODOT deems appropriate.

The DBE Policy Statement and Obligations shall be included in all subcontracts entered into under this contract.

Records and Reports. Contractor shall provide monthly documentation to Department that it is subcontracting with or purchasing materials from the DBEs identified to meet contract goals. Contractor shall notify Department and obtain its written approval

before replacing a DBE or making any change in the DBE participation listed. If a DBE is unable to fulfill the original obligation to the contract, Contractor must demonstrate to Department the Affirmative Action steps taken to replace the DBE with another DBE.
