Powers

Section 4. *Powers of the City.* The City shall have all the rights, powers, privileges and immunities which the constitutions, statutes, and common law of the United States and of this state expressly or implied grant or allow municipalities, including those rights, powers, privileges and immunities which a City can exercise upon specifically accepting them or upon being granted the power to exercise them by the people of the City or the legislature of the state, as fully as though this Charter expressly stated each of those rights, powers, privileges and immunities, and as though each of them had been specifically accepted by the City or granted to it by the people of the City or by the legislature of the State.

The following shall be deemed a part of the powers conferred upon the City by this Charter:

(1) Property. To acquire property within or without the corporate limits of the City for any City purpose, in fee simple or any lesser interest or estate, by purchase, gift, devise, lease or condemnation; and to sell, lease, mortgage, hold, manage and control such property as the interests of the City require.

(2) Indebtedness. To borrow money within the limits prescribed by general laws.

(3) Public services. To purchase, hire, construct, own, maintain and operate or lease local public utilities as herein defined, but only after having first obtained the consent of a majority of the qualified electors of the City to do so; except as provided in Subdivisions A-G, of Section 49 of this Charter; to furnish all local public services, either within or without the corporate limits of the City; to provide for a public library; to acquire, by condemnation or otherwise, within or without the corporate limits, property necessary for any such purposes, subject to restrictions imposed by general laws for the protection of other communities; and to grant local public utility franchises, and to regulate the exercise of such franchises. Section 5. *Construction of Charter.* In this Charter no enumeration or reference to particular rights, powers, privileges or immunities shall be construed to be exclusive or to restrict the scope of the rights, powers, privileges or immunities which the City would have if the particular right, power, privilege or immunity was not mentioned. This Charter shall be liberally construed to the end that the City shall have all powers necessary or convenient for the conduct of its municipal affairs, including all powers that cities may assume pursuant to the laws and to the municipal home-rule provisions of the constitution of the state.

Section 6. *Exercise of Power.* The manner in which the City shall exercise a right, power, privilege or immunity, where not prescribed by this Charter, shall be in the manner prescribed by ordinance; and where not prescribed by this Charter or by ordinance, then in the manner prescribed by the statutes of the State of Oregon.

At each subsequent biennial general election, three Council members, one from each district, shall be elected, each for a term of four years. (As amended by initiative measure voted on May 21, 1996.)

Section 10. *Mayor.* At each biennial general election a Mayor shall be elected for a term of two years.

Section 11. *Tie Votes.* In the event of a tie in the vote cast for the candidates for an elective office under this Charter, the successful candidate shall be determined by drawing lots. The City Recorder or his or her designate shall prepare lots consisting of slips of paper each containing the name of one candidate involved in a tie vote. The Recorder or designate shall fold each slip separately and place the same in a receptacle and shall cause the City Chief of Police or his or her designate to draw therefrom one slip of paper. The candidate whose name is on that slip of paper shall be deemed elected.

Section 12. *Other Officers.* Additional officers of the City shall be a City Manager, and may be

(b) *Districts.* The City shall be divided into six geographical areas representing as near as practical, the same number of electors. When this Charter section is adopted, the current six City precinct boundaries shall be the six district boundaries.
