Your National Pollutant Disposal Elimination System Permit has been renewed and is enclosed. This permit is DEQ's final action on permit renewal application no. 959907. DEQ did not receive any public comments. No changes were made to the proposed permit.

Your permit is effective on September 1, 2024. Please read your permit carefully. Compliance with your permit is required at all times.

If you are dissatisfied with the conditions of this permit, you have 20 days to request a hearing before the Environmental Quality Commission or its authorized representative. A request for a hearing must be made in writing and state the grounds for the request. Any hearing will be conducted as a contested case hearing in accordance with ORS 183.413 through 183.470 and OAR chapter 340, division 011. If a hearing is requested, the existing permit continues in effect until a final order is issued.

Please note that your treatment system will need to be supervised by an operator with at least a Grade I Operator Certificate and that your required operator certification levels are no longer listed on the face page of your permit. Pursuant to OAR chapter 340, division 049 your systems are classified as follows:

- Treatment System: Class I

If changes are made to your systems or if you have additional questions about operator certification requirements, please contact the DEQ Operator Certification program at opcert@deq.state.or.us, call 503-229-5349, or visit the website: <https://www.oregon.gov/deq/wq/wqpermits/Pages/Wastewater-Operator-Certification.aspx>.
