RE: Termination of general permit 1500-B coverage
File no. 112564
Location: Hofenbredl Timber, 25850 Salmon River Hwy, Willamina
Polk County

Dear Mrs. Hofenbredl,

We received your email on August 4, 2023 requesting termination of Water Pollution Control Facilities general permit 1500-B because it is no longer needed, which has been confirmed by Tina Elayer with DEQ's Environmental Cleanup Program. Termination of permit coverage is effective July 30, 2024. DEQ is canceling invoice no. WQ25IND-0121 on your behalf.

Please be aware that if a permit is needed at a later date, you will need to submit a new application and pay the appropriate fees to DEQ to obtain a new permit.

Thank you for updating us on the status of your operation. If you have any questions, please contact Jennifer Maglinte-Timbrook at jennifer.maglinte-timbrook@deq.oregon.gov or 541-743-1663. I may also be reached at 503-378-5081.

Sincerely,

Ranei Nomura
