RE: Termination of 100-J general permit coverage
File no. 103774
Location: Miller Paint Company, 12730 NE Whitaker Way, Portland
Multnomah County

Dear Mr. Serra,

We received your email on August 1, 2024 requesting termination of National Pollutant Discharge Elimination System 100-J general permit coverage because your facility no longer needs coverage provided by the permit. Termination of this permit coverage is effective August 13, 2024.

Please be aware that if a permit it is needed at a later date, you will need to submit a new application and pay the appropriate fees to DEQ to obtain a new permit.

Thank you for updating us on the status of your operation. If you have any questions, please contact Mark Bentz at 503-869-8264 or mark.bentz@deq.oregon.gov. I may also be reached at 503-229-5219.

Sincerely,

Tiffany Yelton-Bram
Water Quality Source Control Section Manager
