In response to your transfer application and fee, DEQ has transferred your Water Pollution Control Facilities 1400-A general permit from Tim Raugust dba Volare Vineyards to London Vines LLC.

A copy of the permit is attached. Please keep this letter with your permit. DEQ is no longer adding legal names to the face page of its general permits; this letter is documentation of your name change and registration to this permit. Compliance with your permit is required at all times.

Please be aware that you will be billed an annual fee every year for this permit and required to submit an annual report to DEQ every February 15. The annual report form is attached and available on DEQ's website [Discharge Monitoring Form](https://www.deq.state.or.us/wq/wqpermit/dmrforms.asp) (<https://www.deq.state.or.us/wq/wqpermit/dmrforms.asp>).

If you have any questions, please contact Jennifer Maglinte-Timbrook at 541-743-1663 or jennifer.maglinte-timbrook@deq.oregon.gov. A hard copy will follow in the mail.

Sincerely,

Ranei Nomura
