Memorandum

To: Leaking UST Cleanup File 26-23-0719
UST Cleanup

Date: August 21, 2024

From: Rob Hood [RAH](#)
UST Cleanup Project Manager

Subject: Administrative Closure of File

This memo serves as the administrative closure of this site. Contamination detected looks to coincide with past releases at the property. They are LUST File 26-94-0180 and ECSI Files 4723 and 4772. Please see the attached UST Decommission Soil Samples figure with results from work done most recently. To review the full evaluation of the site, please refer to Point Source Solutions, LLC report dated April 10, 2024.
