

IF YOU ARE EXPOSED OR FEEL UNWELL

I was exposed to someone who is sick or tested positive

Stay Home!

Notify your supervisor

Vaccinated & No symptoms

I do not live with the sick person

- Provide proof of vaccination to HR
- Must wear a mask at all times when at work for 10 days

I live with the sick person

- Must get a Covid Test
- Telework until results received
- Provide Test results & Vaccination proof to HR
- Must wear a mask at all times when at work for 10 days

Not vaccinated & No symptoms

- Call your doctor for health guidance
- Quarantine at home for 14 days
- Your supervisor will assign telework to you if such tasks are available

I feel unwell

Not Sure if its Covid ; allergies, migraine, cold

- Stay home!
- Notify your supervisor
- Call your doctor for guidance

Some of your symptoms are COVID like

- Stay Home!
- Notify your supervisor
- Call your doctor – discuss getting tested.
- You will be quarantined for 10 days
- You must be symptom free for 24 hours with out medicine before returning to work
 - When you feel better notify your supervisor to see if telework tasks can be assigned for the remainder of your quarantine

Medical records, proof of vaccination, test results are kept in confidential medical files with Human Resources.

Updated Sept 15, 2021 per YC OHA guidance

COVID is a serious medical condition and qualifies for OFLA/FMLA leave. Stay in touch with your supervisor and Human Resources if you need additional leave time.
