DEQ received your renewal application on August 21, 2024 for National Pollutant Discharge Elimination System permit no. 100905. DEQ has determined your application is administratively complete and assigned it application no. 948058.

Pursuant to Oregon Administrative Rule 340-045-0040(2), your current permit will remain in effect after its February 28, 2025 expiration date until DEQ acts on your renewal application.
