

RESOLUTION NO. 2623

A RESOLUTION APPROVING AN INTERGOVERNMENTAL AGREEMENT WITH MULTNOMAH COUNTY FOR THE COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) PROGRAM AND HOME INVESTMENT PARTNERSHIP PROGRAM FOR PROGRAM YEARS 2025-2027

THE TROUTDALE CITY COUNCIL FINDS AS FOLLOWS:

1. That the U.S. Congress established the Housing and Community Development Act of 1974 (HCDDA) through which, along with subsequent amendments, the Department of Housing and Urban Development (HUD) established the Community Development Block Grant Program (CDBG).
2. That the Congress has found and declared that the Nation's cities, towns, and small urban communities face critical social, economic, and environmental problems which impact the future welfare and well-being of its citizens.
3. That the CDBG program focuses on improving decent housing and a suitable living environment and expanding economic opportunities principally for persons of low and moderate income to improve their future welfare and well-being.
4. That since 1984 the City Council has approved a series of three-year Intergovernmental Agreements (IGA) along with the East County Cities of Fairview, Maywood Park and Wood Village, to join with the Multnomah County (County) unincorporated areas as a consortium, to qualify for HCDDA grants.
5. Through the past IGA for Urban County Entitlement Community participation in the CDBG program, consortium partners have completed public facilities projects that improve services and livability for low and moderate income residents in the partners' communities, and local nonprofit organizations have provided essential assistance and services to residents with financial challenges.
6. That participation in the consortium must be renewed periodically and the current IGA for Urban County Entitlement Community participation in the CDBG program will expire June 30, 2024.
7. That approving another three-year IGA will continue the 40-year history of cooperation and support for our East County neighbors, enabling Multnomah County to qualify for and coordinate the CDBG benefits as an Urban County Entitlement Community.
8. That by the authority granted in Oregon Revised Statute (ORS) 190.110, units of local governments may enter into IGA's for the performance of any or all functions and

activities that a party to the agreement, its officers, or agents may have the authority to perform.

9. That the City and County desire to enter into an IGA to provide for continued urban county consortium IGA participation in the CDBG program as an Urban County Entitlement Community, and that it is in the best interest of the City.

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF TROUTDALE

Section 1. That the City shall enter into an IGA with Multnomah County to continue to provide Urban County Entitlement Community participation in the HUD CDBG, and hereby approves the IGA in substantial conformity with Exhibit A of the Staff Report, the "Community Development Block Grant Program and Home Investment Partnership Program Years 2025-2027".

Section 2. Designates Ray Young, City Manager and/or Erich Mueller, Finance Director (each a "City Official") or a designee of the City Official, to act on behalf of the City, and without further action by the City Council the City Official is hereby authorized, empowered and directed to sign the IGA on behalf of the City, and any and all other required and necessary documents to implement the intent of the agreement.

Section 3. The City Official is hereby authorized to execute, acknowledge and deliver the IGA in substantial conformity with Exhibit A of the Staff Report, including any other supporting and implementing documents, and to take any other action as may be appropriate to give full force and effect to the terms and intent of the IGA, and the execution thereof by any such City Official shall be conclusive as to such determination.

Section 4. Further, consistent with intent of the IGA, and in the best interest of the City, the City Official is authorized to determine, execute, acknowledge and deliver any subsequent addendums, extensions, revisions, modification, or successor documents of the IGA, and the execution thereof by any such City Official shall be conclusive as to such determination.

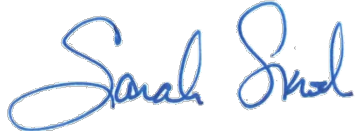

Section 5. The Finance Director is authorized to disburse funds, subject to annual appropriations, if any, as necessary to fulfill the IGA obligations, and is further directed to implement all such actions necessary to ensure budgetary compliance.

Section 6. This Resolution shall be effective upon adoption.
