SUPERVISOR:	Juvenile Department Director	
PREPARED BY:	Juvenile Department Director	January 2022

POSITION SUMMARY:

This position is funded through SAMHSA and is administered through the State of Oregon by the Oregon Health Authority and then assigned to the Public Health Division. Through the Public Health Division are Alcohol and Drug Prevention Education Program (ADPEP) and Tobacco Prevention and Education Program (TPEP). This program will be administered by the Curry County Juvenile Department.

This position will coordinate strategies designed to promote health and prevent substance use, misuse, disorder and addiction and associated effects across the life span. They will work to reduce risk factors and increase protective factors associated with alcohol, tobacco and other drugs in Curry County.

ESSENTIAL DUTIES AND RESPONSIBILITIES:

An employee in this class will be assigned to coordinate with the state to develop an ADPEP Plan for Curry County and implement that plan each biennium through evidence-based strategies.

Work is accomplished under the supervision of the Juvenile Department Director but occasionally receives assistance and supervision from Oregon Health Authority.

Examples of Work: (Illustrative only)

Duties assigned to this classification include, but are not limited to, the following examples.

Alcohol and Drug Prevention Education Program (ADPEP)

1. This position will coordinate a County ADPEP plan among state and community partners. The plan will focus on: reducing health disparities in our county and state, engage organizations and communities in prevention, develop partnerships that improve the health of all Oregonians, address the leading causes of death and disability, address the risk factors which lead to chronic disease and substance use disorder or dependence, use data for decision making, setting priorities and defining and tracking health outcomes and plan and implement evidence-based interventions.
