Project Narrative

Request Description*

Describe your project. How will funds be spent? How will items be distributed? Be as specific as possible.

Our department makes sure that all youth on our caseloads from prevention to high risk youth receive a Holiday Stocking full of personalized items: examples: soap, shampoo, toothbrush and paste, deodorant, body spray, snacks, blanket, cards, games, socks, and one small gift item of $5 gift cards. These stockings are delivered by Santa (out staff) and the elves. Many times this is the only Christmas gift some of the youth we work with will receive. This will be the third year we will provide this program and each year the feedback, excitement from the youth and families and the gift of giving the staff feels is amazing.

Our staff shops, decorates, bakes, personalizes and delivers the stockings. We also make sure each family has food for Christmas dinner, if not we will hook them up with one of the giving organizations locally.

Project Impact*

Please discuss your organization's connection with the community being served through this project/program. Please be sure to include any past or present collaborations with this community.

This will be the third year and the excitement, gratitude and thanks from youth and families is over whelming. We have purchased a Santa suit and elf costumes as recommendations from our first year. We collaborate with schools, DHS and families. After we delivered our stockings we then took Santa to the front lawn of the Court house where he waived and gave candy canes to passers by. We stopped by a day care center and took photos with kids. The impact of a youth getting a stocking when there is no decorations or presents at their home is powerful.

Community Resources*

What other organizations are you working with for this year's holiday program, and how are you collaborating with other programs that are providing similar services?

Last year worked with DHS, Veterans Affairs, and Curry County Employees on food baskets, and dinner delivery. Our department shopped locally and decorated each stocking. We downloaded fun card game instructions to go with the deck of cards, and dice games for dice.
