**STATE OF OREGON
INTERGOVERNMENTAL AGREEMENT
INDIVIDUALIZED SERVICES**

Agreement # 14723

This Agreement is between the State of Oregon, acting by and through its **Oregon Youth Authority**, hereafter called "**OYA**" or "**Agency**", and **Curry County**, hereafter called "**County**", both individually without distinction as "**Party**" and collectively as the "**Parties**."

Agency's **Agreement Administrator** for this Agreement is:
Laura Ward
Phone Number: (503) 373-7125
Address: 530 Center St NE, Suite 500, Salem, Oregon 97301

1. Effective Date and Duration. Upon receipt of all required approvals and execution by all parties, this Agreement shall be effective **July 1, 2021**. Unless extended or terminated earlier in accordance with its terms, this Agreement shall terminate when Agency accepts County's completed performance or on **June 30, 2023**, whichever date occurs first. Agreement termination shall not extinguish or prejudice Agency's right to enforce this Agreement with respect to any default by County that has not been cured.

2. Statement of Work. County shall perform the work (the "Work" or "Service") as set forth in the Statement of Work, which includes the delivery schedule for such Work, and that is attached hereto as Exhibit A. County shall perform the Work in accordance with the terms and conditions of this Agreement.

3. Consideration

- a. The maximum, not-to-exceed compensation payable to County under this Agreement, which includes any allowable expenses, is **\$4,400.00**. Agency will not pay County any amount in excess of the not-to-exceed compensation of this Agreement for completing the Work, and will not pay for Work performed before the date this Agreement becomes effective or after the termination of this Agreement. If the maximum compensation is increased by amendment of this Agreement, the amendment must be fully effective before County performs Work subject to the amendment.
- b. Interim payments to County shall be subject to ORS 293.462, and shall be made in accordance with the payment schedule and requirements in Exhibit A.
- c. Agency will pay only for completed Work that is accepted by Agency.

4. Documents. This Agreement consists of the following documents, which are listed in descending order of precedence: this Agreement less all exhibits, Exhibit A (the Statement of Work), Exhibit B (Subcontractor Requirements) and Exhibit C (Service Tracking in JJIS). Exhibit A, B and C are attached hereto and incorporated herein by this reference.

5. Independent Contractor; Responsibility for Taxes and Withholding

- a. County shall perform all Work as an independent contractor. The Agency reserves the right (i) to determine and modify the delivery schedule for the Work and (ii) to evaluate the quality of the Work Product, however, the Agency may not and will not control the means or manner of County's performance. County is responsible for determining the appropriate means and manner of performing the Work.
- b. If County is currently performing work for the State of Oregon or the federal government, County by signature to this Agreement, represents and warrants that: County's Work to be performed under this Agreement creates no potential or actual conflict of interest as defined by ORS 244 and no statutes, rules or regulations of the state or federal agency for which County currently performs work would prohibit County's Work under this Agreement.
- c. The parties agree and acknowledge that their relationship is that of independent contracting parties and that County is an "officer", "employee", or "agent" of the Agency, as those terms are used in ORS 30.265 or otherwise.
- d. County shall be responsible for all federal or state taxes applicable to compensation or payments paid to County under this Agreement and, unless County is subject to backup withholding, Agency will not withhold from such compensation

or payments any amount(s) to cover County's federal or state tax obligations. County is not eligible for any social security, unemployment insurance or workers' compensation benefits from compensation or payments paid to County under this Agreement, except as a self-employed individual.

6. Subcontracts, Successors, and Assignments

a. County may contract with a third person or entity (a "Subcontractor") for delivery of a particular Service or portion thereof (a "Subcontract"). County may permit a Subcontractor to subcontract with a third person or entity for delivery of a particular Service or portion thereof and such subcontractors shall also be considered Subcontractors for purposes of this Agreement and the subcontracts shall be considered Subcontracts for purposes of this Agreement. County shall not permit any person or entity to be a Subcontractor unless the person or entity holds all licenses, certificates, authorizations and other approvals required by applicable law to deliver the Service. County shall ensure that the Subcontract is in writing and contains all provisions of this Agreement necessary for County to comply with its obligations under this Agreement and applicable to the Subcontractor's performance under the Subcontract, including but not limited to, all provisions of this Agreement that expressly require County to require Subcontractor's compliance with respect thereto. County shall maintain an originally executed copy of each Subcontract at its office and shall furnish a copy of any Subcontract to the Agency upon request.

b. County shall not assign, delegate or transfer its interest in this Agreement without prior written approval of Agency. Any such assignment or transfer, if approved, is subject to such conditions and provisions as the Agency may deem necessary. No approval by the Agency of the assignment or transfer of interest shall be deemed to create any obligation of the Agency in addition to those set forth in the Agreement.

c. The provisions of this Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors, and permitted assigns.

7. No Third Party Beneficiaries. The Agency and County are the only parties to this Agreement and are the only parties entitled to enforce its terms. The parties agree that County's performance under this Agreement is solely for the benefit of the Agency to assist and enable the Agency to accomplish its statutory mission. Nothing in this Agreement gives, is intended to give, or shall be construed to give or provide any benefit or right, whether directly, indirectly or otherwise, to third persons any greater than the rights and benefits enjoyed by the general public unless such third persons are individually identified by name herein and expressly described as intended beneficiaries of the terms of this Agreement.

8. Funds Available and Authorized; Payments. County shall not be compensated for Work performed under this Agreement by any other agency or department of the State of Oregon. Agency certifies that it has sufficient funds currently authorized for expenditure to finance the costs of this Agreement within the Agency's current biennial appropriation or limitation. County understands and agrees that Agency's payment of amounts under this Agreement is contingent on Agency receiving appropriations, limitations, allotments or other expenditure authority sufficient to allow Agency, in the exercise of its reasonable administrative discretion, to continue to make payments under this Agreement.

9. Representations and Warranties. County represents and warrants to Agency as follows:

a. **Organization and Authority.** County is a political subdivision of the State of Oregon duly organized and validly existing under the laws of the State of Oregon. County has full power, authority and legal right to make this Agreement and to incur and perform its obligation hereunder.

b. **Due Authorization.** The making and performance by County of this Agreement (1) have been duly authorized by all necessary action of County and (2) do not and will not violate any provision of any applicable law, rule, regulation, or order of any court, regulatory commission, board, or other administrative agency or any provision of County's charter or other organizational document and (3) do not and will not result in the breach of, or constitute a default or require any consent under any other agreement or instrument to which County is a party or by which County or any of its properties may be bound or affected. No authorization, consent, license, approval of, filing or registration with or notification to any other governmental body or regulatory or supervisory authority is required for the execution, delivery or performance by County of this Agreement.

c. **Binding Obligation.** This Agreement has been duly executed and delivered by County and constitutes a legal, valid and binding obligation of County, enforceable in accordance with its terms subject to the laws of bankruptcy, insolvency, or other similar laws affecting the enforcement of creditors' rights generally.

10. Ownership of Intellectual Property.

a. Except as otherwise expressly provided herein, or as otherwise provided by state or federal law, OYA will not own the right, title and interest in any intellectual property created or delivered by County or a Subcontractor in connection with the Services. With respect to that portion of the intellectual property that the County owns, County grants to OYA a perpetual, worldwide, non-exclusive, royalty-free and irrevocable license, subject to any provisions in the Agreement that restrict or prohibit dissemination or disclosure of information, to (i) use, reproduce, prepare derivative works based upon, distribute copies of, perform and display the intellectual property, (ii) authorize third parties to exercise the rights set forth in Section 10.a(i) on OYA's behalf, and (iii) sublicense to third parties the rights set forth in Section 10a(i).

b. If state or federal law requires that OYA or County grant to the United States a license to any intellectual property or if state or federal law requires that OYA or the United States own the intellectual property, then County shall execute such further documents and instruments as OYA may reasonably request in order to make any such grant or to assign ownership in the intellectual property to the United States or OYA. a. If any third party makes any claim or brings any action, suit or proceeding alleging a tort as now or hereafter defined in ORS 30.260 ("Third Party Claim") against a party (the "Notified Party") with respect to which the other party ("Other Party") may have liability, the Notified Party must promptly notify the Other Party in writing of the Third Party Claim and deliver to the Other Party, along with the written notice, a copy of the claim, process, and all legal pleadings with respect to the Third Party Claim that have been received by the notified party. Each party is entitled to participate in the defense of a Third Party Claim, and to defend a Third Party Claim with counsel of its own choosing. Receipt by the Other Party of the notice and copies required in this Section and meaningful opportunity for the Other Party to participate in the investigation, defense and settlement of the Third Party Claim with counsel of its own choosing are conditions precedent to the Other Party's contribution obligations under this Section with respect to the Third Party Claim.

b. With respect to a Third Party Claim for which the State is jointly liable with the County (or would be if joined in the Third Party Claim), the State shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by the County in such proportion as is appropriate to reflect the relative fault of the State on the one hand and of the County on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of the State on the one hand and of the County on the other hand shall be determined by reference to, among other things, the parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. The State's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law if the State had sole liability in the proceeding.

c. With respect to a Third Party Claim for which the County is jointly liable with the State (or would be if joined in the Third Party Claim), the County shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by the State in such proportion as is appropriate to reflect the relative fault of the County on the one hand and of the State on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of the County on the one hand and of the State on the other hand shall be determined by reference to, among other things, the parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. The County's contribution amount in any instance is capped to the same extent it would have been capped under Oregon

law if it had sole liability in the proceeding.

COUNTY, BY EXECUTION OF THIS AGREEMENT, HEREBY CONSENTS TO THE IN PERSONAM JURISDICTION OF SAID COURTS.

22. Integration and Waiver. This Agreement, including all of its Exhibits, constitutes the entire agreement between the parties on the subject matter hereof. There are no understandings, agreements, or representations, oral or written, not specified herein regarding this Agreement. The failure of either party to enforce any provision of this Agreement shall not constitute a waiver by that party of that or any other provision. The remedies provided herein are cumulative and not exclusive of any remedies provided by law.

23. Criminal History Checks: The Agency has statutory authority to access criminal offender information on all persons providing services under this Agreement (ORS 181A.010, 420A.010 (11) and 420A.021).

- c. County shall maintain and require all Providers to maintain a Client record for each youth that receives a Service.

25. County-Client Relationship. Such amendment, waiver, consent, modification or change if made, shall be effective only in the specific instance and for the specific purpose given.

29. Headings. The headings and captions to sections of this Agreement have been inserted for identification and reference purposes only and shall not be used to construe the meaning or to interpret this Agreement.

30. Construction. The parties agree and acknowledge that the rule of construction that ambiguities in a written agreement are to be construed against the party preparing or drafting the agreement shall not be applicable to the interpretation of this Agreement.

31. HIPAA Compliance. To the extent applicable, County shall deliver Services in compliance with the Health Insurance Portability and Accountability Act as amended by the Health Information Technology for Economic and Clinical Health (HITECH) Act portion of the American Recovery and Reinvestment Act of 2009 (ARRA), and the federal regulations implementing the Act, including the Privacy and Security Rules found at 45 CFR Parts 160 and 164, as the law and its

This may be done at any management level, including at a level higher than persons directly responsible for administration of the agreement. In addition, the parties may agree to utilize a jointly selected mediator or arbitrator (for non-binding arbitration) to resolve the dispute short of litigation.

**EXHIBIT A
STATEMENT OF WORK**

1. STATEMENT OF WORK:

1.1 Overview: Individualized services funds are intended to purchase services to meet widely varied needs, ranging from simple one-time services/purchases to complex, multi-disciplinary case management services necessary to keep a youth offender in the community, prevent commitment to Oregon Youth Authority (OYA or Agency) Probation or placement in a youth correctional facility, or revocation/recommitment of a youth offender to an OYA youth correctional facility. Funds are not intended for routine and ongoing costs that are already built in to other payment structures such as ongoing clothing needs, grooming needs, student body cards, etc. Rather, they are intended to fill in where other funding sources are unavailable because of the uniqueness of the need. The purchase shall directly support a need specifically itemized in a case/reformation plan. County shall research and use other resources before using Individualized services funds. Individualized services are intended to be based on evidence-based principles.

Individualized services provided by the County shall have a holistic approach across the following case plan domains:

- a) Medical;
- b) Mental Health;
- c) Social Living Skills;
- d) Alcohol and Drug Treatment;
- e) Education;
- f) Vocational;
- g) Family; and
- h) Offense specific.

Individualized services requested shall be:

- a) case-plan driven and community based;
- b) based on evidenced-based principles;
- c) outcome oriented;
- d) proactive in approach (not crisis driven); and
- e) culturally competent and gender specific.

1.2 Definition: For purposes of this Agreement, the term "youth offender" means "adjudicated youth" as that term is used in SB 436 (2021) in the event that SB 436 (2021) becomes law. This definition is effective on the date on which SB 436 is effective.

1.3 Eligibility: The County agrees to provide youth-specific, comprehensive wrap around services for youth who are eligible for Individualized services funds. Eligible youth are those youth who have been adjudicated delinquent; are in need of services that **cannot** be funded through any other source, public or private, in any other way and services are case plan driven; and are determined to:

- a) be at risk of commitment to the OYA; or
- b) be at risk of commitment to an OYA youth correctional facility; or
- c) be at risk of recommitment/revocation to an OYA youth correctional facility.

Individualized Services funding may be authorized for services (otherwise authorized by the Individualized Services Handbook) to support a 'continued disposition' finding by the juvenile court. Documentation of continued disposition must be reflected in JJIS at the time of the service request. All service requests must be prior authorized by the OVA field supervisor.

1.4 Supervising Representatives: The Supervising Representatives for purposes of this Agreement shall be:

AGENCY: Peter Sprengelmeyer, Assistant Director, Community Services
530 Center Street NE, Suite 500, Salem, Oregon, 97301
(503) 373-7531
Peter.Sprengelmeyer@oya.state.or.us

COUNTY: Wendy Lang
94235 Moore Street Ste. 231 Gold Beach, OR 97444
(541)247-3302
langw@co.curry.or.us

Should a change in the Agency's or County's Supervising Representative or Agency's Agreement Administrator become necessary, Agency or County will notify the other party of such change. Such change shall be effective without the necessity of executing a formal amendment to this Agreement.

1.5 Services: The County's juvenile department staff shall be responsible for providing services to youth offenders referred for services under this Agreement. All referrals shall be submitted and approved using the Individualized Services Referral form as identified in subsection 1.6 of this Exhibit A. The services provided under this Agreement must:

- be youth-specific;
- a) provide direct support of the youth offender's specific case/reformation plan;
- b) be utilized only when no other funding sources exist, public or private, for which the youth offender could qualify;
- c) reflect a prudent expenditure of public funds and be within acceptable community norms;
- d) present no threat to public safety; and
- e) conform to the Agency's Individualized Services User Handbook. A copy of the Agency's Individualized Services User Handbook will be on file with the County and Agency.

1.6 Process: Individualized services expenditures must be approved in advance and in writing by a designee of the County and a designee of the Agency. The designee for both the County Juvenile Department and Agency shall be approved by the Agency's Supervising Representative of this Agreement.

1.7 Individualized Services Referral Form: Before any expenditures can be approved under this Agreement, the County, in consultation with the Agency, shall develop a form for each youth for whom Services are requested, titled "Individualized Services Referral" that shall be approved by the Agency Parole / Probation Supervisor or designee and Juvenile Department-designated representative for authorization of services under this Agreement. The form shall include:

- a) a statement that services are being provided under the terms of this Agreement;
- b) youth offender's Juvenile Justice Information System (JJIS) number;
- c) name of the youth offender;
- d) youth offender's date of birth;
- e) basis of jurisdiction;
- f) the signature of the requestor;
- g) case/reformation plan domain and objective and how the requested service will aid in the accomplishment of that plan;
- h) a description of the services to be provided;
- i) the service provider selected;
- j) unit cost;
- k) number of units;
- l) the total dollar amount of the services being requested;
- m) beginning and ending dates for which the services are to be delivered; and
- n) the approval signatures from a designated representative of both the County and the Agency.

County shall keep the detailed Individualized Services Referral form on file with the County and available for Agency review for a period of 24 months after the end date of this Agreement. County shall keep copies of the form available thereafter in the County's youth offender's case specific file.

1.8 Goals/Objectives: The goal of the expenditure of funds under this Agreement shall be to prevent the youth offender from further escalation into the Juvenile Justice System. Measurable progress toward these general goals shall be included in the synopsis as described in subsection 1.8 of this Exhibit A below. The goals for these funds include:

- a) reduce commitments and revocations of youth offenders who can safely be managed in the community;
- b) increase public safety by providing more appropriate services to youth offenders in the community;
- c) increase positive reformation and evidenced-based reduction of risk;
- d) decrease self-destructive behavior of youth offenders served;
- e) increase educational participation of youth offenders served;
- f) reduce the propensity of youth offenders to commit crimes;
- g) increase the skills of youth offenders to appropriately live in a community setting; and
- h) reduce the propensity of a youth offender to engage in antisocial behavior.

1.9 Synopsis: The County shall provide the Agency, **on a monthly or quarterly basis**, a synopsis of youth offenders who have been approved for the Individualized services funds during the previous month or quarter. The expenditure of Individualized service funds is directly related to the youth offender's case/reformation plan. All of the information required in the synopsis is available in the youth offender's case/reformation plan. The synopsis shall include:

- a) the youth offender's JJIS number;
- b) the youth offender's status (OYA, Juvenile Department);
- c) the risk score from the Agency's adopted risk tool or the Oregon JCP Screen/Assessment instrument;
- d) the date(s) services were provided;
- e) the type of service authorized for the youth offender;
- f) the service provider;
- g) the total amount expended for the youth offender; and
- h) a brief description of what domain and objective from the youth offender's case/reformation plan were met.

The synopsis shall be detailed and in the following format:

JJIS Number	Youth Status	Risk Score	Date(s) of Service	Type of Service	Service Provider	Amount Expended	Domain	Objective	OYA Agreement Number
----------------	-----------------	---------------	-----------------------	--------------------	---------------------	--------------------	--------	-----------	----------------------------

The County shall provide additional youth offender specific and service specific information upon request by the Agency. County shall send the synopsis monthly or quarterly attached to the invoice to the Oregon Youth Authority, Supervising Representative per Subsection 1.3 of this Exhibit A.

1.10 Survey/Report: The Agency is periodically required to report information on how the Individualized service funds are utilized. To meet this requirement the Agency may periodically request a report from the County that may include all or a portion of the information reported in the synopsis. The County shall provide this report upon the Agency's request.

1.11 Verification of Service: The County by submitting an invoice, completed Individualized Services Referral Form(s) and synopsis for reimbursement is verifying that all services obtained for youth offenders under this Agreement have been provided as specified in the Individualized Services Referral form.

1.12 Other Funding Source Limits: Should a youth offender receiving services under this Agreement become eligible for services under any other private or public funding, then the services authorized by the Agreement for that specific youth offender shall be terminated and County shall not seek reimbursement for any future services so long as other funding exists.

1.13 Equal Access: The County agrees that there will be equal access to these funds for all adjudicated youths that have need for services under this Agreement. The County agrees that gender equity and diversity will be addressed appropriately and equitably.

1.14 Female Offenders: The Agency recognizes that female offender services continue to be more difficult to access; the use of Individualized services for female youth offenders will reflect services that offer specific and appropriate services for this population and employ service providers cognizant of female issues.

1.15 Evidence-Based Programs: County shall work with Agency to develop a process to ensure that programs and services funded under this Agreement are appropriate and workable and meet the guidelines of evidence-based programs and cost effectiveness as described under SB 267 (2003), ORS 182.515, as applicable. County shall work with Agency to develop a reporting process on County's evidence-based programs and services funded under this

Agreement. County shall submit such reports to the Agency on County's evidence-based programs and services funded under this Agreement at such frequency as may be requested by Agency.

1.16 Reporting and Documentation: During the term of this Agreement, County shall provide OYA with the necessary service information to track treatment and accountability services in JJIS, as defined by JJIS policy, Exhibit C "Service Tracking in JJIS" as it may be from time to time amended, or by service extracts, for progress in achieving the high level outcomes. This also applies to providing information on funded services not tracked in JJIS.

2. CONSIDERATION:

2.1 As consideration for the services provided by the County under this Agreement, the Agency, subject to the provision of ORS 293.462 (payment of overdue account charges) and the terms and conditions of this Agreement, will pay to the County, by warrant(s) an amount not to exceed **\$4,400.00**.

2.2 The Agency reserves the right to deny payment for services provided that do not conform to the Agency's Individualized Services User Handbook, as may be revised from time to time.

2.3 Agency will reimburse County for all Allowable Costs that are authorized pursuant to this Agreement. "Allowable Costs" are defined as those costs which are reasonable and necessary for delivery of services under this Agreement, determined in accordance with 2 CFR Part 230 (Office of Management and Budget (OMB) Circular A 122) as revised from time to time. Agency will reimburse County for the Allowable Costs under this Agreement at the rates not to exceed those shown on the published OYA rate schedule or, if the services are not listed on the OYA rate schedule, then at the Oregon Medicaid rate, at the time services were provided. The rate schedule is available at <http://www.oregon.gov/oia/Pages/contracts.aspx>. When the rate schedule is revised, the County will be notified of the new rates. When determining appropriate providers for County adjudicated youth, County must be aware of any Agency contracts with the same providers and not agree to reimburse the provider for more than the comparable amount the provider charges the Agency for similar services.

2.4 It is agreed that any payment or reimbursement received by the County from a parent or guardian or any other personal entitlement received on behalf of any youth offender served under this Agreement shall be promptly remitted by the County to the Agency.

2.5 If the County allocates any indirect costs to this Agreement, the County shall make available to the Agency, upon request, a written cost allocation plan covering the handling and distribution of indirect costs. If all costs are direct costs to this Agreement, no cost allocation plan is required. In no event shall this subsection be construed to allow the County to require the Agency to pay any indirect costs allocated to this Agreement by County.

The County shall make available upon request by the Agency a monthly or quarterly detailed administrative financial report to support the actual monthly or quarterly administrative expenditures required under this Agreement.

2.6 The County agrees that the costs reimbursed by the Agency for services to youth offenders under this Agreement shall not exceed the costs for comparable services that are not covered by this Agreement.

2.7 The County will not impose or demand any fees from any person or agency (other than the Agency) for services provided and paid for under this Agreement, unless these fees have been approved in advance in writing by the Agency.

2.8 If, as a result of County's neglect or misconduct, the Agency terminates a youth offender's referral to the County under this Agreement, then the County shall no longer be entitled to reimbursement under this Agreement with respect to such youth offender after the date of such termination.

2.9 The County shall not use the funds provided hereunder to supplant money otherwise provided to the County Juvenile Department for services to delinquent youth.

3. PAYMENT:

3.1 County shall submit monthly or quarterly invoices along with the completed and approved Individualized Services Referral Form(s) described in subsection 1.6 and the attached synopsis as identified in subsection 1.8 of this Exhibit A, for Work performed for review and approval by the Agency. The invoices shall describe the Work performed and the total amount for that month or quarter. The invoices shall be provided on a

form provided by the Agency. County shall retain copies of the invoices and receipts in accordance with Section 14 of the Agreement and shall make available for review by Agency as described in subsection 3.5 of this Exhibit A. The invoices shall be prepared on Agency's form of invoice which County shall submit to: Oregon Youth Authority, Agency Parole / Probation Supervisor outlined in subsection 1.6 of this Exhibit A in accordance with Agency's instructions provided by Agency to County. Payment of any amount under this Agreement shall not constitute approval of the Work. The Agency's obligation to pay an invoice is conditioned upon the County providing the Agency with the synopsis specified in subsection 1.8 of this Exhibit A for the month or quarter for which payment is sought.

3.2 County shall not submit invoices for, and Agency will not pay, any amount in excess of the maximum compensation amount set forth above. If this maximum compensation amount is increased by amendment of this Agreement, the amendment must be fully effective before County performs services subject to the amendment. County shall notify Agency's Agreement Administrator in writing thirty (30) calendar days before this Agreement expires of the upcoming expiration of the Agreement. No payment will be made for any services performed before the beginning date or after the expiration date of this Agreement, as it may be amended from time to time in accordance with its terms.

3.3 If payments to County by the Agency under this Agreement are made in error or are found by the Agency to be excessive under the terms of this Agreement, the Agency, after giving written notification to the County, may withhold payments due to County under this Agreement in such amounts, and over such periods of time, as are deemed necessary by the Agency to recover the amount of the overpayment. This subsection 3.3 shall survive expiration or earlier termination of this Agreement and be fully enforceable thereafter.

3.4 County must submit its final invoice to the Agency no later than sixty (60) days after the expiration date of this Agreement. The Agency shall be under no obligation to pay for services not billed within sixty (60) days after the expiration date of this Agreement.

3.5 The Agency reserves the right to periodically audit and review the actual expenses of the County for the following purposes:

- 1) To document the relation between the established payments under this Agreement and the amounts spent by the County.
- 2) To document that the amounts spent by the County are reasonable and necessary to assure quality service.
- 3) To assure that the County's expenses are allowable in accordance with 2 CFR Part 225 or 2 CFR Part 230 (Federal OMB Circulars A-87 or A-122, respectively) on Allowable Costs. In the event a periodic audit and review by the Agency shows that the County's expenses are not allowable under 2 CFR Part 225 or 2 CFR Part 230 (Federal OMB Circulars A-87 or A-122, respectively) on Allowable Costs in any material respect, Agency may terminate this Agreement.

3.6 In addition to any other rights accorded to the Agency under this Agreement, if the County fails to comply with the provisions of subsections 2.3, 2.4, 2.6, 2.7 and 3.5 above, the Agency may terminate this Agreement pursuant to Section 12 e.(ii)(D) and invoke the remedies available to it, exercise its rights under subsection 3.3 of this Exhibit A, or both. Nothing in this provision shall require County or Agency to act in violation of state or federal constitutions, statutes, regulations or rules. The rights and remedies set forth in this Agreement are not intended to be exhaustive and the exercise by either party of any right or remedy does not preclude the exercise of any other rights or remedies at law or in equity.

3.7 If the Oregon Legislative Assembly, Legislative Emergency Board or Oregon Department of Administrative Services increases or decreases the amount of money appropriated or allotted for implementation of the Services under this Agreement, OYA may, by written notice to County, unilaterally increase or decrease the amount of the funding in this Agreement. In such circumstances, if requested by either party, the parties shall execute an amendment to this Agreement reflecting an increase or decrease in the funding implemented under this Section. Nothing in this Section shall limit or restrict OYA's rights under this Agreement to suspend payment of funds or to terminate this Agreement as a result of a reduction in appropriations or allotments. Notwithstanding the order of precedence listed in Section 4 of this Agreement, this Subsection 3.7 of this Exhibit A takes precedence over all other provisions of this Agreement including all Exhibits.

4. AMENDMENT:

This Agreement may be amended one or more times by mutual agreement of the Parties for time, money, terms, conditions, services, or any combination of the preceding. Any such amendment is not effective until approved by all parties and all necessary legal approvals have been obtained from the Department of Justice.

5. CONFLICT OF INTEREST

County shall notify Agency in writing when a current employee or newly hired employee is also an employee of the Agency. The notification shall be submitted to the Agreement Administrator and the OYA Procurement Unit and shall include the name of the employee and their job description. The Agency will review the employment situation for actual and potential conflicts of interest as identified under ORS Chapter 244.

6. EMERGENCY SUSPENSION/TERMINATION BY AGENCY

The parties understand and agree that under any of the following circumstances, without limitation, the Agency may remove or suspend a youth offender from services with the County immediately:

- i. An allegation of child abuse/neglect or other conditions causing the Agency to determine that the youth offender's health, safety or welfare may be endangered; and
- ii. An allegation of misconduct of County, County's employee or subcontractor causing the Agency to determine that the youth offender's health, safety or welfare may be endangered.

If as a result of County's alleged child abuse/neglect or misconduct, Agency suspends or terminates a youth offender's services with County in accordance with this Agreement, the County shall not be entitled to any compensation under this Agreement with respect to such youth from and after the date of such suspension or termination.

7. CRIMINAL HISTORY RECORDS CHECK

County shall ensure that, before any person provides unsupervised services under this Agreement, the person has passed a criminal history check based on Agency's criminal history records check standards as set forth in OAR 416-800-0000 to 416-800-0095.

Any person that has not yet passed a criminal history check must be supervised by a person who has passed such a test and does meet such standards, when having direct contact with Agency youth offenders under this Agreement. Any person that has failed a criminal history check as set forth in OAR 416-800-0000 to 416-800-0095 is prohibited from providing services under this Agreement to OYA youth offenders.

EXHIBIT B
SUBCONTRACTOR REQUIREMENTS

1. Indemnification by Subcontractors

County shall take all reasonable steps to cause its contractor(s) that are not units of local government as defined in ORS 190.003, if any, to indemnify, defend, save and hold harmless the State of Oregon and its officers, employees and agents ("Indemnatee") from and against any and all claims, actions, liabilities, damages, losses, or expenses (including attorneys' fees) arising from a tort (as now or hereafter defined in ORS 30.260) caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of County's contractor or any of the officers, agents, employees or subcontractors of the contractor ("Claims"). It is the specific intention of the parties that the Indemnatee shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the Indemnatee, be indemnified by the contractor from and against any and all Claims.

2. Subcontractor Insurance Requirements

A. GENERAL.

County shall require its first tier contractor(s) (Contractor) that are not units of local government as defined in ORS 190.003, if any, to: i) obtain insurance specified under TYPES AND AMOUNTS and meeting the requirements under ADDITIONAL INSURED, "TAIL" COVERAGE, NOTICE OF CANCELLATION OR CHANGE, and CERTIFICATES OF INSURANCE before the contractors perform under contracts between County and the contractors (the "Subcontracts"), and ii) maintain the insurance in full force throughout the duration of the Subcontracts. The insurance must be provided by insurance companies or entities that are authorized to transact the business of insurance and issue coverage in the State of Oregon and that are acceptable to Agency. County shall not authorize contractors to begin work under the Subcontracts until the insurance is in full force. Thereafter, County shall monitor continued compliance with the insurance requirements on an annual or more frequent basis. County shall incorporate appropriate provisions in the Subcontracts permitting it to enforce contractor compliance with the insurance requirements and shall take all reasonable steps to enforce such compliance. Examples of "reasonable steps" include issuing stop work orders (or the equivalent) until the insurance is in full force or terminating the Subcontracts as permitted by the Subcontracts, or pursuing legal action to enforce the insurance requirements. In no event shall County permit a contractor to work under a Subcontract when the County is aware that the contractor is not in compliance with the insurance requirements. As used in this section, a "first tier" contractor is a contractor with which the county directly enters into a contract. It does not include a subcontractor with which the contractor enters into a contract.

	Counties programs also have a funding reporting attribute called Report Option – which identifies how a program is funded for a particular county during a specified date range. This is the only attribute that provides the opportunity to report on programs funded with state Diversion, Basic, and Prevention dollars and must be maintained. Counties are responsible to assure their Report Options are accurate. OYA's Diversion Specialist will facilitate an annual audit of county programs in JJIS to assure consistency with the annual Diversion and Basic plans, and will provide a copy of the annual inventory to the state office responsible for administering state Prevention funds to assure consistency with the Prevention plans. JJIS Report 562 – Active Program Report Options and Visibility can be used to monitor the administrative set up for a specific office. • http://www.jjis.state.or.us/reports/details/detail00562.htm Monitor Service Tracking A variety of reports have been developed to monitoring tracking throughout the year. Offices will use these reports to assure that services intended to be tracked are tracked. Data provided via a data file, instead of recorded in JJIS, will be included in these reports only if the data file has been submitted to the OYA Information System Reports team prior to the scheduling of the report in the format and within the timeline established by team. JJIS Report 363 – Program History Summary Extract - can be used to monitor service tracking data entry. This data extract can be scheduled for active during a date range, started during a date range, or ended during a date range for a specific reporting category and for a specific agency. • http://www.jjis.state.or.us/reports/details/detail00363.htm Attendance Tracking JJIS maintains a comprehensive Attendance Tracking feature to provide a way to document youth attendance and progress in a number of defined program sessions, and can be used to document group and individual treatment sessions. Offices will implement this feature subject to local policy. Offices that implement this feature are responsible to maintain the Program Course Definitions that are required to manage its use.
