Katie,

Thank you for taking this ball and helping us play it forward. My realtor, **Jeff Elder**, will be walking the check over shortly and take possession of the NFA. Will I also receive an electronic copy?

Good morning Julie,

I sent you a text to your phone but wanted to also follow up via email.

Your estimated final invoice is \$2125.00. Note that this is only an estimate, and you may receive a partial refund, or a small secondary bill.

On the check, please put your project name (Former Emerald Chrysler Products) and number (20-24-0560). Please also put project tag T37578.

I have already coordinated with our Eugene front desk staff, and they are aware of the incoming check. They will be able to provide you with your signed NFA at the same time.

Please let me know if you'd like a secondary copy emailed or mailed to you as well.

Don't hesitate to reach out with any questions.

Thanks,

Katie McCrocklin

You don't often get email from sheptothepard@gmail.com. [Learn why this is important](#)

Hi Katie,

I know Rachel is out, but wanted to check in. We are anxiously awaiting your invoice so we can move forward with getting our NFA and closing on the sale of the property. Please text me as soon as you have this as I'm not always checking email and my realtor will come over with a check as he is only a few blocks from your office.

Thank you,

Julie Sheppard

Hi Julie,

I am waiting for our accounting office to provide me with an amount. She was out of the office yesterday, so I hope to hear from her today or by the end of the week at the latest. I will be out of the office starting Thursday, but I will coordinate with my administrative staff to ensure that they are here to give you the necessary information while I am out.

I will let you know as soon as I have a number.

Thank you,

Rachel

Hi Rachel,

Just so I have expectations in line, do you have an idea when we might receive the estimated invoice?

Thank you,

Julie
