

**RESOLUTION TO PROVIDE SEWER SERVICE
OUTSIDE THE CITY OF LEBANON CITY LIMITS**

)
)

RESOLUTION NO. 2024- 24

WHEREAS, the Lebanon Municipal Code provides that water and sewer service may not be extended to persons or properties which are located outside of the city limits without the permission of the City Council by resolution and;

WHEREAS, the Lebanon Municipal Code provides that the City Council may only grant sewer service outside the city under certain circumstances;

WHEREAS, Terry and Christy Kester, are the owners of real property located outside city limits at 1021 Airport Road;

WHEREAS, Terry and Christy Kester agree to petition to annex the real property located at 1021 Airport Road prior to connection to the City's sewer system.

NOW, THEREFORE, be it resolved by the Council of the City of Lebanon as follows:

SECTION 1:

The City Council hereby grants, pursuant to the provisions of Lebanon Municipal Code Section 13.04.240, that water service shall be extended beyond the city limits for the purpose of providing such service to Terry and Christy Kester, owners of 1021 Airport Road, Lebanon, Linn County, Oregon because of the failure of the septic at said location for the following reasons based upon the following findings of fact:

- A. The provision of sewer service outside the city limits is a temporary measure to alleviate a health hazard, or a potential health hazard, as the location for said service is adjacent to the existing city limits which can be expected to be annexed. The provision of the sewer service is the most cost effective method of alleviating said health hazard, and is in the best interest of the health, safety and welfare for the citizens of Lebanon and those citizens resided within the Lebanon Urban Growth Boundary.
- B. The provision of sewer service granted herein shall expire one year from the effective date of this Resolution; provided that this Resolution shall have no further effect if the property is annexed into the city limits before that time.

SECTION 2:

The requested service outside of the city limits shall be processed according to such rules and regulations which exist for customers of water systems, with the normally imposed charges made for such service. In addition, the permit to connect to the sewer shall not be issued until a completed annexation application is received by the City.

SECTION 3:

This Resolution is effective immediately upon its passage.

Passed by the Lebanon City Council and executed by the Mayor on this 9th day of October 2024, by a vote of 6 yeas and 0 nays.
