The Dalles, OR – [September 12, 2024] – The City of The Dalles invites the community to participate in a Virtual Open House and survey for the Housing Production Strategy (HPS). This initiative, driven by a new state requirement, aims to develop a comprehensive plan to guide and support housing development in our city.

Residents can explore key components of the HPS and learn more about its objectives through the Virtual Open House, accessible here: www.thedalles.org/OpenHouseHPS. An option to attend an in person open house will be available September 18th at 6pm in Council Chambers of City Hall, 313 Court Street. Additionally, a brief survey is available to gather valuable feedback from the community. The survey will help shape the actions and policies of the HPS to ensure it aligns with the needs of the community. The survey can be completed at: www.thedalles.org/SurveyHPS Please submit responses by October 4, 2024.

The HPS will outline specific actions the City will take in the coming years to address housing development effectively. Community input is crucial in guiding this process and ensuring that the strategy meets local needs.
