RE: 25-0008 – PDX-4 – Cleaner Air Oregon Emissions Inventory Response Extension Request

Dear Amy:

On September 23, 2024, Amazon Data Services, Inc. (ADS) submitted the Cleaner Air Oregon (CAO) Emission Inventory for the existing data center campus, Source Number 25-0008 (PDX-4), to the Oregon Department of Environmental Quality (Oregon DEQ) in accordance with Oregon Administrative Rule (OAR) 340-245-0030 as part of the Cleaner Air Oregon (CAO) Group 2 Call-In process for existing facilities. On October 29, 2024, ADS received a request for additional information from Oregon DEQ regarding the emission inventory. The requested deadline for the submission of additional information is November 27, 2024.

The team is working to set up a call that all interested parties are able to attend to ensure streamlined approach to the requested information. While ADS has made progress in gathering the requested information, several key personnel are unavailable throughout the requested timeline for submission. Therefore, ADS would like to request a new submission deadline of December 20, 2024, in order to provide accurate and succinct requested data. In accordance with OAR 340-245-0030(3), this request is being submitted at least 15-days prior to the original deadline.

If you have any questions or comments about the information presented in this letter, please do not hesitate to call me at 541.303.2380 or Beth Ryder at 458.206.6770.

Sincerely,

Jason Bowker
