

**City of Newberg  
Sustainability Committee  
Meeting Notes**

|                      |                                      |
|----------------------|--------------------------------------|
| <b>Date:</b>         | <b>Tuesday, 11/2/10</b>              |
| <b>Time:</b>         | <b>2:00 pm</b>                       |
| <b>Location:</b>     | <b>Engineering Conference Room</b>   |
| <b>Participants:</b> | Jan Wolf, April Catan, Sonja Johnson |

- Encouraging Sustainable Transportation
  - o Will contact Doug Pliant of the YCTA (Yamhill County Transit Authority) about promoting the YCTA as an alternative transport especially during the next Commuter Challenge Event.
- Energy Monitor from the Energy Trust (kill-a-watt)
  - o This is a successful program in other cities – the Library may be able to get one for city employees to take home on a sign-out basis. No new updates on when that might be.
- Sustainable Action Plan
  - o Discussed the webinar on Dec 7. **Update: the webinar is cancelled because we can purchase a DVD of the webinar. We will be showing the DVD at the REGULAR Sustainability Meeting time of 2pm on Dec 7.**
- Recycling
  - o Aveda cap recycling – Sonja contacted them but has not heard back.
  - o We might be able to establish a recycling site for grease, oils, and fat (FOG) in partnership with Waste Management. The recycled FOG would be recycled at the Encore facility Salem.
- Springbrook Fire Station
  - o Bryan Steward discussed a project with Aquscape that could become a demonstration area for low-impact stormwater techniques.
- Adjourned at 2:30 pm because of the All-Hands Public Works meeting.

**Next Meeting:**

**Date:** Tuesday Dec 7, 2010

**Time:** 2pm

**Location:** Engineering Conference Room
