**Executive Order**  
**An Order Repealing Executive Order No. 2016-047**

---

**No. 2025-051**  
**January, 2025****PURPOSE**

The purpose of this executive order is to repeal the last active executive order No. 2016-047.

**EXECUTIVE ORDER**

1.1 It is the position of the current administration (CM Worthey) that executive orders should only ever be used during times of declared emergency when the normal Council / CM form of government guided by our charter and council rules cannot function due to disaster, emergency or act of God.

1.2 Having reviewed the applicability and function of Executive order number 47 (the last currently active executive order) the order has been found to be of no value. All required authority for these appointments and roles is contained in Newberg Municipal Code or state statute.

1.3 Therefore executive order #47 is hereby repealed as of this date.

1.4 All previous executive orders including #47 have been superseded by state law, the master Fee schedule system (Resolution 2016-3268 and ORS 294.160), various revisions to the Newberg Municipal Code, and adopted Newberg Council approved policies such as our Employee Manual (Resolutions 2019-3566, 2019-3594, 2020-3700, and 2021-3782), and the 2022 Purchasing Manual (Resolution 2022-3878). All other executive orders were repealed in 2023.

Therefore, this executive order can be considered as administrative cleanup of an item no longer required for the smooth operation of the city.

**APPLICABILITY**

2.1 This Executive Order applies to executive orders #47.

**OTHER EXPLANATION**

3.1 This order completes a much needed administrative clean up started in 2023 and from this time forward there shall be no executive orders in effect.

**DATED** this 15<sup>th</sup> day of January, 2025.

---

Will Worthey - City Manager
