### **14. Termination for Default**

Either County or Contractor may terminate this Agreement in the event of a breach of this Agreement by the other. Prior to such termination, the party seeking termination shall give to the

In the event of breach of this Agreement the parties shall have the following remedies:

- A. If terminated under paragraph 13 by County due to a breach by Contractor, County may complete the work either itself, by agreement with another contractor, or by a combination thereof.

to any other equitable and legal remedies that are available.

## **23. Confidentiality**

Except as otherwise provided by law including, but not limited to, Oregon Public Records Laws, both parties shall maintain the confidentiality of any of the other party's information that has been so marked as confidential, unless withholding such information would violate the law, create the risk of significant harm to the public or prevent the disclosing party from establishing a claim or defense in an adjudicatory proceeding. Both parties shall require similar agreements from County's and/or Contractor's subcontractors to maintain the confidentiality of information of the disclosing party.

## **24. Force Majeure**

Contractor shall not be deemed in default hereof nor liable for damages arising from its failure to perform its duties or obligations hereunder if such is due to causes beyond its reasonable control, including, but not limited to, acts of God, acts of civil or military authorities, fires, floods, windstorms, pandemic, earthquakes, strikes or other labor disturbances, civil commotion or war. In the event of any such delay or inability to perform, the parties will confer and intend to make any necessary changes to the work and term in order to fulfill the work, which may include an increase to the Compensation not to exceed amount.

### **Waivers**

No waiver by County of any provision of this Agreement shall be deemed to be a waiver of any other provision hereof or of any subsequent breach by Contractor of the same or any other

provision. County's consent to or approval of any act by Contractor requiring County's consent or approval shall not be deemed to render unnecessary the obtaining of County's consent to or approval of any subsequent act by Contractor, whether or not similar to the act so consented to.

## **25. Severability**

Any provisions of this Agreement which shall prove to be invalid, void or illegal shall in no way affect, impair or invalidate any other provision hereof, and such remaining provisions shall remain in full force and effect.
