The owner of the Craig Building is supportive and coordinating. The Veterans Service moved over the holiday and the building attached to the plaza is now empty.

Direction for opening up to public input was discussed and it was decided to hold an open house at Freebridge Brewing 02/12/25 to meet with the community, answer questions and receive input and feedback on the final two schemes.

**Public Comment**

Chair opened to public comment.

**Claire Graper:** River City was her favorite, with a better flow. Interested in various lighting ideas and curious if lighting will be too harsh for freeway traffic. She wondered about tree feasibility. Loved Basalt elements and wondered if they could be made mobile. Also inquired if the college had been contacted for art elements.

**Closing**

Next meeting was scheduled for 01/29/25 at 5:30. Meeting was adjourned by the Chair at 7:32pm.
