

State of Oregon
Department of Environmental Quality

Memorandum

Date: May 31, 2016
To: Environmental Quality Commission
From: Pete Shepherd, Interim Director
Subject: Agenda item E: Tour
June 8-9, 2016, EQC meeting

Purpose of item The commission will tour areas affected by the recent Canyon Creek Fire. Commissioners will also visit areas affected by gasoline, oil and other fuel vapors from a damaged and leaking underground storage tank in John Day.

Background When meeting around the state, the commissioners and staff attempt to visit local areas of environmental concern or interest. This tour will last approximately two hours and visit several sites in and near John Day.

EQC involvement There is no commission action associated with this item.
