

Date: June 2, 2014
To: Environmental Quality Commission
From: Dick Pedersen, Director
Subject: Agenda item A: Tour of Bonneville Dam
June 18-19, 2014, EQC meeting

Background Commissioners and some DEQ staff will tour Bonneville Dam with representatives from U.S. Army Corps of Engineers and dam management representatives. This tour is organized to give the commissioners an opportunity to learn more about the dam's operations and its relationship to migratory fish species survival through the process of fish spill.

Next steps and commission involvement The tour is informational, and there is no commission action associated with the tour. The tour is not open to the public due to federal security limits at Bonneville Dam.
