

Addendum to DEQ recommendation to the EQC in the staff report

DEQ recommends that the Environmental Quality Commission:

- (1) Finds that the LRAPA rules are no less strict than any rule or standard of the Commission;
- (2) Approves the LRAPA rules under ORS 468A.135(2);
- (3) Adopts the proposed amendment to OAR 340-200-0040 in Attachment A to incorporate the proposed rules into the Oregon Clean Air Act State Implementation Plan; and
- (4) Directs DEQ to submit the SIP revision to the U.S. Environmental Protection Agency for approval.
