

State of Oregon
Department of Environmental Quality

Memorandum

Date: Oct. 20, 2014
To: Environmental Quality Commission
From: Joni Hammond, Deputy Director
Subject: Agenda item G, Informational item: Umatilla updates
Nov. 5-7, 2014, EQC meeting

Background Representatives from the U.S. Army's Chemical Materials Agency will present a brief update on the status of demilitarization, dismantling and decontamination of all facilities and materials at the Umatilla Chemical Materials Demilitarization Facility. The facility is under final closure actions and will be repurposed for use after the site has been cleaned up to acceptable risk levels under the closure agreement.

The commission retains an oversight role for permits and other actions associated with the facility and site. In that capacity, the commission receives periodic updates about the status of the Umatilla facility and site.

Next steps and commission involvement This item is informational and no commission action is associated with the item.
