Re: Public Utility Easement (Pump Station Site) Record 200316784 (07/11/2003); "Correction Easement" Memorandum

Comments:

In the original fully recorded easement document, recorded on July 11, 2003, both the Exhibit "A" and "B" were incorrect and need replacing with newly corrected Exhibits "A" and "B". The corrected exhibits "A" and "B" are enclosed. We request that they be recorded with that original easement document as a fully corrected document.

If you have any further questions, please call. Thanks.

11/5/2004

This easement correction document was made null and void when the developer, Pacific Construction, Inc., in conjunction with Pacific Empire Developers, Inc., granted Tract "A" (the pump station parcel) fee title by deed to the City. The deed eliminates both the original and the corrected easement documents granted by Craig W. and Susan E. Shepersky and Pacific Empire Developers, Inc respectively.

Please call (503) 554-1631 if you do not receive all of them.
