

Agenda for the Oregon Environmental Quality Commission regular meeting

October 20-22, 2010

DEQ headquarters: 811 SW 6th Avenue Portland, room EQC-A on the 10th floor

Wednesday, October 20 - *The commission will convene at approximately 8:30 a.m.*

A. Informational and discussion item: Stakeholders

Representatives from environmental groups, municipal and local governments, industry organizations and business interests will respond to and discuss two framing questions:

1. What will be Oregon's major environmental challenges in 20 years?
2. What is DEQ's role in response to these issues?

This item is part of DEQ's process to update its Strategic Directions for the years 2012-2018. Items A, B, C, D, E, F, I, K, N, O, R, U and V are part of this process, and will have information and discussion from project partners, state agencies and other governments using the same framing questions and general information.

B. Public forum for Strategic Directions

This item is scheduled at 10:45 a.m. Time allotted for this item is one hour, and may be extended or reduced at the commission's discretion

The commission will open a forum for any member of the public or organization to comment on DEQ's Strategic Directions process and content. All people wishing to comment will be asked to complete a request-to-speak form.

This item is part of DEQ's process to update its Strategic Directions for the years 2012-2018. Items A, B, C, D, E, F, I, K, N, O, R, U and V are part of this process, and will have information and discussion from DEQ staff, project partners, state agencies and other governments using the same framing questions and general information.

The commission will recess for an informal lunch from approximately 11:45 a.m. to 12:45 p.m.

C. Informational and discussion item: EPA

Dennis McLerran, EPA Region 10 Administrator, will discuss Oregon's major environmental challenges in 20 years, DEQ's response to these issues, EPA's planning and vision and other environmental concerns.

This item is part of DEQ's process to update its Strategic Directions for the years 2012-2018. Items A, B, C, D, E, F, I, K, N, O, R, U and V are part of this process, and will have information and discussion from DEQ staff, project partners, state agencies and other governments using the same framing questions and general information.

D. Informational and discussion item: Government-to-government discussion with tribes

The nine federally recognized tribal nations present in Oregon are invited to hold a government-to-government discussion with the commission on Oregon's major environmental challenges in 20 years and DEQ's responses.

This item is part of DEQ's process to update its Strategic Directions for the years 2012-2018. Items A, B, C, D, E, F, I, K, N, O, R, U and V are part of this process, and will have information and discussion from DEQ staff, project partners, state agencies and other governments using the same framing questions and general information.

E. Informational item: Information technology

DEQ staff will present information on the information technology and systems at DEQ and information on a vision for systems improvements and efficiencies.

This item is part of DEQ's process to update its Strategic Directions for the years 2012-2018. Items A, B, C, D, E, F, I, K, N, O, R, U and V are part of this process, and will have information and discussion from DEQ staff, project partners, state agencies and other governments using the same framing questions and general information.

F. Informational and discussion item: Land use

DEQ staff and government planners will discuss land quality issues and a geographic approach to land use and environmental protection.

This item is part of DEQ's process to update its Strategic Directions for the years 2012-2018. Items A, B, C, D, E, F, I, K, N, O, R, U and V are part of this process, and will have information and discussion from DEQ staff, project partners, state agencies and other governments using the same framing questions and general information.

The commission will recess at approximately 4:45 p.m. until Thursday, October 21.

DEQ staff and commissioners may attend an informal dinner in downtown Portland. The dinner is not a part of the formal meeting agenda, and no commission business will be discussed.

Thursday, October 21 - *The commission will reconvene at approximately 8:30 a.m.*

G. Action item: Adopt minutes of the August 18-19, 2010, regular commission meeting

The commission will review, amend if necessary and approve minutes from the August 18-19, 2010, regular EQC meeting.

H. Action item: Magar contested case

The commission will hear and take action on a contested case regarding water quality violations.

I. Action item: Clean Water State Revolving Fund loan program rules

DEQ staff will propose amended rules for the Clean Water State Revolving Fund Loan program. The commission will review and take action on the proposed rules regarding loans to communities for water quality improvements.

J. Informational and discussion item: Strategic Directions communication discussion

Staff from DEQ's Office of Communication and Outreach will present on DEQ's communications strategies, challenges and vision for future communications.

This item is part of DEQ's process to update its Strategic Directions for the years 2012-2018. Items A, B, C, D, E, F, I, K, N, O, R, U and V are part of this process, and will have information and discussion from DEQ staff, project partners, state agencies and other governments using the same framing questions and general information.

K. Informational and discussion item: State natural resource agencies

Representatives from the Governor's natural resource office, Department of Forestry, Department of Agriculture, Water Resources Department and Department of Fish and Wildlife will discuss Oregon's major environmental challenges in 20 years and DEQ's role in response to these issues.

This item is part of DEQ's process to update its Strategic Directions for the years 2012-2018. Items A, B, C, D, E, F, I, K, N, O, R, U and V are part of

this process, and will have information and discussion from DEQ staff, project partners, state agencies and other governments using the same framing questions and general information.

Lunch and executive session

The commission will meet in executive session from approximately noon to 1:30 p.m. to consult with counsel concerning legal rights and duties regarding current or potential litigation against DEQ. This executive session is held pursuant to ORS 192.660(2)(f), (h).

L. Action item: Combined sewer overflows in Astoria

DEQ water quality staff will present amendments to a stipulation and final order concerning Astoria's combined sewer overflows for the commission's consideration and action.

M. Informational item: Water quality 401 program proposed fee increase

DEQ water quality staff will discuss a proposed rule to increase fees paid by applicants to the 401 water quality certification program. This item is informational only, and the commission will not take action on any proposed rule.

N. Informational and discussion item: Urban nonpoint pollution

DEQ water quality staff will present information about and discuss nonpoint pollution from urban sources.

This item is part of DEQ's process to update its Strategic Directions for the years 2012-2018. Items A, B, C, D, E, F, I, K, N, O, R, U and V are part of this process, and will have information and discussion from DEQ staff, project partners, state agencies and other governments using the same framing questions and general information.

O. Informational and discussion item: Economics and funding

This item is postponed until a future commission meeting

The commission will recess at approximately 5 p.m. until Friday, October 22

Friday, October 22 - *The commission will reconvene at approximately 8:30 a.m.*

P. Public forum

Time for this item is allotted at one hour, and may be extended or reduced at the commission's discretion.

At 8:30 a.m. on Friday, October 22, members of the public are invited to address the commission on any issue of environmental concern of interest. No comments may be presented on DEQ rulemakings for which the public comment period has closed. All people wishing to comment must complete request-to-speak forms and the commission may limit times based on the number of people wishing to comment.

People wishing to comment remotely may do so by telephone at the Bend, Pendleton or Medford DEQ offices. Those offices will be open and DEQ staff will be present to facilitate the process at 8 a.m.

Bend

475 NE Bellevue, Suite 110
Bend, OR 97701

Pendleton

700 SE Emigrant, #330
Pendleton, OR 97801

Medford

221 Stewart Avenue, Suite 201
