Prepared by/
Cindy Keever, Administrative Secretary
Public Works Department

Request thru Revize: Public Service Request

03-17-2025

Jeff Acciaioli

923 W 10th St,

The Dalles, OR 97058

1) Please describe the issue

This school zone would benefit from improved signage. Drivers are still exceeding the speed limit, keeping traffic flow above 20 mph during school hours. Earlier this year, a temporary LED sign significantly reduced speeds. Installing flashing lights during school hours or a permanent LED sign that alerts drivers when they are speeding could help address the issue. The school itself is not very obvious, which may contribute to the problem.
