

State of Oregon
Department of Environmental Quality

Memorandum

Date: January 26, 1995

To: LUST file 21-88-4024
From: Alicia Voss, Site Assessment
Subject: Gesik site ECSI listing

The referenced site, Gesik Property, is also listed as site #728 in the ECSI database. After review of the file information, SAS has concluded that the site is currently being administered under the LUST program and that no listing recommendation or evaluation will be conducted by SAS.

cc: ECSI file #728
