

CITY OF BROOKINGS

RESOLUTION 25-R-1271

A RESOLUTION AUTHORIZING THE CITY OF BROOKINGS TO APPLY FOR A DRINKING WATER SOURCE PROTECTION GRANT FROM THE OREGON HEALTH AUTHORITY

WHEREAS, the City of Brookings is committed to ensuring the safety and quality of its drinking water supply for residents and future generations; and

WHEREAS, the Oregon Health Authority administers the Drinking Water Source Protection Grant Program to provide financial assistance for projects that safeguard public drinking water sources; and

WHEREAS, the City of Brookings seeks funding through this program to enhance the protection of its drinking water intake system by installing fencing and signage, and to support local volunteer groups in their river cleanup efforts; and

WHEREAS, the proposed project aligns with the requirements and objectives outlined in the Oregon Health Authority's Safe Drinking Water Handbook; and

WHEREAS, the Drinking Water Source Protection Grant does not require matching funds, making it a financially viable opportunity for the City to improve source water protection measures; and

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF BROOKINGS AS FOLLOWS:

1. The City Council authorizes the City of Brookings to submit an application for the Drinking Water Source Protection Grant from the Oregon Health Authority.
2. The City Manager, or their designee, is authorized to execute all necessary documents related to the grant application and acceptance, with administration to be managed by Business Oregon.
3. The City supports the use of grant funds for the installation of protective fencing and signage around the drinking water intake system, as well as for providing financial support to volunteer groups engaged in river cleanup activities.
4. This resolution shall take effect immediately upon its adoption.

Passed by the City Council March 24, 2025 and made effective the same date.

Mayor Isaac Hodges
