

Executive Order  
Building Division Fee Schedules Inflation Adjustment

No. 33  
February 22, 2012

**PURPOSE**

Municipal Code 14.05.270 authorizes the city manager to amend the Building Division fee schedules by executive order to reflect changes in the Consumer Price Index (CPI).

The Building Division fee schedules were last modified for inflation by the City Manager on November 26, 2007.

The CPI has risen 7.7 percent since the last inflation adjustment (from August, 2007, CPI of 212.4 to November, 2011, CPI of 228.8).

The City desires to establish a new minimum fee of \$75.00 and adjust fees as needed to accommodate minimum fee to accurately reflect the costs of processing permits.

The City also desires to modify plan review percentages to accurately reflect costs.

**EXECUTIVE ORDER**

1.1 The Newberg Building Division fee schedules shall be revised to the new fees shown in Exhibit "A", which represents a 7.7 percent increase and/or new minimum fees of \$75.00 from the January 1, 2009, fee schedule, as shown in Exhibit "B".

**APPLICABILITY**

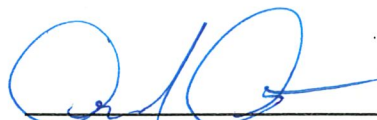

2.1 This Executive Order applies to any application submitted after March 30, 2012, at 5:00 p.m., and any building permit issued after June 29, 2012, at 5:00p.m.

**OTHER EXPLANATION**

3.1 Exhibit "A": Revised Building Division Fee Schedules Effective April 1, 2012.

3.2 Exhibit "B": Previous Building Division Fee Schedules Effective January 1, 2009.

**DATED** this 22<sup>nd</sup> day of February, 2012.

### NOTES

- TABLE No. 2 is based on the 1990 evaluation for Mobile Home Parks published by the Oregon Dept. of Revenue.
- Deduct 10% from the valuation of parks constructed East of the Cascade Summit.
- "Class A" parks contain paved streets, curbs and sidewalks.
- "Class B" parks contain paved streets, no curbs and no sidewalks.
- "Class C" parks contain no paved streets, no curbs but have sidewalks on one side of each street.
- When a park contains spaces in more than one class, figure the spaces in each class; then add them together to obtain the total valuation for the park.

NOTE: The Area Development Permit does not include permits or related fees for buildings, manufactured dwelling installations, accessory buildings or structures, mechanical, plumbing or electrical systems, boiler, or elevated or permits required by other agencies.

See Oregon Administrative Rule (OAR) 918-600-030 for plan review and inspection fees based on this valuation.

### FORMULA FOR MANUFACTURED DWELLING PARK PERMIT AND PLAN REVIEW FEE:

- Sq. Feet of area being developed ÷ 43,560 = no. of acres
- No. of spaces ÷ no. of acres = valuation in table 2
- Valuation in table no. 2 × no. of spaces = permit fee in table 1
- The permit fee is taken from table no. 1
- The plan review fee is 65% of the permit fee
- A surcharge is added which is 12% of the permit fee
