1. Meeting was called to order by Don Schmidt, Vice Chairman.
2. Reference was made to the September 12, 1978 evaluation by the CIAC. This evaluation discusses various concerns the committee has of the planning process.
3. Election of Committee Chairman and Vice Chairman:
Al Blodgett was nominated Chairman 5 to 1.
Don Schmidt was nominated Vice Chairman 5 to 1.
4. Bikeway Plan.
Elvern Hall stated that the City presently has unused bike funds. He further stated that a good way to get a bike census within the City would be to check police registrations for bicycle licenses.
There was some discussion about the pro's and con's of eliminating parking on one side of the street for bike paths.
People ride bikes for four reasons: (a) Recreation/physical fitness
(b) Work (commuting)
(c) Shopping
(d) School
The committee mentioned that the High School may be able to help with the inventory needs of the bike plan.
5. Discussion of Future Goals of the Committee. Reference was again made to CIAC evaluation dated September 12, 1978.
6. Discussion of status of Comprehensive Plan. Mr. Moorhead gave a brief discussion of the progress of the plan and implementing ordinances. The plan and implementing ordinances are presently being reviewed by the Council. The Comprehensive Plan Map and Zoning Map are scheduled to be before the Council some time in March or April.
7. Meeting adjourned.
