Present: Bob Hurford
Clarence Stouffer
Janet Nybakke

Ernie Heister
Herb Hawkins
Terry Mahr

1. Hawthorne Loop traffic problem - speed bumps. Present were Larry Clark and Larry Eddens who are residents living on Hawthorne Loop. The discussion concerned whether speed bumps should be applied or whether stop signs which are presently installed can handle the problem. Also discussed was the authority of a citizen to make "arrests" in a traffic situation. The committee decided to request speed bumps with proper signing to be installed at the City's expense by the Public Works Department on Hawthorne Loop. This was approved and will be recommended to the Council.
2. Parking was discussed on Elliott Road. It was decided that this should be further studied and reports returned.
3. Parking on South Meridian Street. The committee discussed parking on South Meridian between Second and Third. Recommended to the Council no parking on the east side of South Meridian Street between Second and Third Street. Approved.
4. Discussed loading zones. Wait to see the report of the special committee appointed by the Mayor.

Adjourned.
