☐ Pre-Enforcement Notice

☐ Warning Letter

**No enforcement action was warranted because:**

☐ The SSO was caused by unpreventable vandalism or similar force majeure; or

☐ The SSO is allowed as an exception to the permit as maintenance; or

☐ The cause of the current SSO was beyond reasonable control AND we do not expect the permittee to prevent similar SSOs in the future; or

☒ The SSO was 400 gallons or less, spilled to the ground and not reaching surface water; permittee properly reported, cleaned up, and took appropriate public notice measures; and the SSO was not part of a chronic problem.
