MEMORANDUM

SUBJECT: Referral of site J H BAXTER & CO EUGENE (RCRA/SEMS EPA ID ORD009032400) from the RCRA hazardous waste cleanup program to CERCLA.

FROM: Lisa McArthur
RCRA and Tanks Branch Manager
U.S. EPA Region 10 LCRD

TO: Beth Sheldrake
Emergency Management, Site Assessment and Removal Branch Chief
Superfund and Emergency Management Division
U.S. EPA Region 10

In my capacity as Resource Conservation Recovery Act and Tanks Branch Manager in the US EPA Region 10's Land Chemical and Redevelopment Division, and in accordance with *the Improved Procedures for Facility/Site Transfers Between RCRA Hazardous Waste Cleanup and CERCLA Cleanup Authorities* Memorandum (OLEM Directive #9932.2), I am providing this correspondence on behalf of the Oregon Department of Environmental Quality to confirm the referral of state led cleanup site J H BAXTER & CO EUGENE (RCRA/SEMS EPA ID ORD009032400) from the RCRA hazardous waste cleanup program to CERCLA.

In support of this ODEQ initiated referral, I will note the following pre-existing records to support this action including EPA press release for proposed listing, site record existence in SEMS, and RCRAInfo record of site transfer to CERCLA dated 6/10/2024.

Pertinent information from RCRAInfo for site referral from RCRA to CERCLA includes:

- No additional ID numbers associated with this site in RCRAInfo.
- Facility name: J H BAXTER & CO EUGENE
- Site address: 85 N BAXTER RD, EUGENE OR, 97402
- Contact information:
 - President/CEO: Georgia Krause
 - GBAXTER@JHBAXTER.COM
 - 650-678-7942

- P.O. BOX 3541, BEND OR, 97707
- Entire facility is being referred.

Upon receipt of this letter please respond with your concurrence.
