RE: Re-issuing Initial Letter and Packet Information

File Name: Buy 2 010 Florence
1839 Hwy 101 N, Florence, Oregon
Lane County
DEQ Tanks File No.: 20-20-0197

Dear Mr. Thabet:

On July 6, 2021, Dylan Eckert of DEQ was talking with Sam of Thabet Management/ Buy2 stores. Sam informed us that he didn't remember receiving the Cost Recovery Agreement and other information that DEQ sent to you in March of 2020. At Sam's request we are resending the same letter and packet to you. Please keep these for your records.

You will find the Cost Recovery Agreement within the enclosed items. DEQ needs this form in order for your site to be placed on our waiting list for assignment to a DEQ project manager. Please fill it in and mail it to DEQ Eugene office.

Thank you for moving forward to clean up and protect Oregon's environment. We are pleased to assist you with any questions you may have. Please reference the DEQ file number and site name listed above in all inquiries and reports. If you have any questions, please call me at (541) 687-7440.

Sincerely,

Alyssa Leidel
Western Region Environmental Cleanup
