Dear Simon and Chris,

The Oregon Department of Environmental Quality was notified of a petroleum leak from an underground storage tank system at [1516 Capitol St NE, Salem Oregon](#).

Thank you! You have already completed and returned your 20-day report.

Project Number: 24-25-0543

Project Name: 7-Eleven-Capitol

Project Records: [ORMS Link](#)

Next Steps:

Enter into a cost recovery agreement with DEQ follow the steps below. DEQ requires that persons requesting DEQ review and oversight of investigation and cleanup activities agree to the terms of the Cost Recovery Agreement and pay project oversight costs. Electing not to enter into this agreement does not release you from any responsibility that you might have for any reporting requirements, investigation and/or cleanup of petroleum (hazardous substances). This should be completed by the financial responsible party.

1. Register for a Responsible Official account.
<https://www.oregon.gov/deq/permits/Pages/Account-Registration.aspx>
1. A Facility should already exist at your address, link your account to the related Facility. Detailed instructions are located in Section 2 of the User Guide.
1. Complete the **LUST/Leaking HOT Cost Recovery Agreement** submittal.
