The list looks good to me! I'm fine with destruction.

Subject: Records Destruction ASAP

Hey Ranei, I would like to do one more records destruction prior to retiring. This will have to go pretty fast, though. I have a master list that I am attaching and will be destroying only DMRs. Please review the list and let me know which files to delete from the list, and then I'll give you an updated list and then proceed.

Thanks for speeding this along! :))
