**RE: Addendum No. 4, Source Area Bioremediation Work Plan
Combined Treatment of TGA Source Wells and Permeable Reactive Barrier
Building 85-001 Former Vapor Degreaser Source Area, Boeing Portland Facility
ECSI #13**

Dear Ms. Taege:

The Oregon Department of Environmental Quality (DEQ) has reviewed the document entitled *Addendum #4, Source Area Bioremediation Work Plan* for the Boeing Portland Facility, dated May 4, 2020. This workplan was prepared on your behalf by Landau Associates.

DEQ, approves this scope of work as presented and thanks you for your proactive and effective remediation work at the Boeing Portland Facility. Please keep us informed on the implementation schedule.

Please feel free to call me with questions.

Sincerely,

Kenneth Thiessen, CEG
Northwest Region Cleanup Section
