Dear Leela & Krystin;

Greetings! Please find attached Records Destruction Authorization Form I've filled out to shred the vehicle sign out/in log for 2022. JK and I looked it up, and they're only to be kept a year; Melissa then walked us through the procedure, and I believe I've filled out the form correctly, though no matter what I put in the very first box, I'd get an error message that it didn't like that entry... so if one of you's can share with me what is supposed to be there, that'd be awesome.

Thank you both for your time, I hope you's have a nice weekend!

Thanks Greg, yeah that first box is a bit wonky cause it's a dropdown but this has all the info we need! I approve this as records officer, looping in Melissa so she can provide official manager approval for our records.

Cheers, Leela
