Good morning! Sure, I'd be happy to do that from now on, and the 2 most recent lists are attached here, copied into a Records Destruction Authorization Form.

(I apologize – I thought someone mentioned in the training session that we could attach a separate list to the destruction form.)

Ranei – do we have your approval to proceed with the attached?

Thanks all!

Sue

Hi Susan,

We really appreciate you staying on top of these records that are ready to be destroyed. We know it is a lot of work, and you are doing a great job.

To maintain continuity in the records destruction notices, we would really appreciate it if you could list all the records to be destroyed on the official destruction notice sheet.

Thank you,

Linda

Sue,

Great job! I wish we could cut you a check for everyone you find! Since you already submitted the previous list on Monday to Records, we need to do a new spreadsheet and go through the process again (you send the list for me to approve of for destruction).

Thank you!!

Sue,

This looks good. Can we add the permit number to the list so we have a better record of what we destroyed? I'm assuming these DMRs are for general permits but I was confused when I first opened the spreadsheet, so it would be good to be specific.

Thank you!

Hi all, I've updated the list of old (>15 years) DMRs that I sent last week; the additions are noted in the attached, in case you've already reviewed that file.

Once I receive your ok, I'll submit a Records Destruction Form and get them recycled. Thanks for your assistance!

Enjoy your weekend; I'll be back in on Monday.
