These records are approved to destroy, as well. 😊

Thanks, Audrey!

Linda

Hi Linda,

I found a few more very old training provider documents that are ready for destruction. Here is the form for your review and approval.

Thanks.

Audrey O'Brien

The diagram consists of a large gray rectangle on the left side, which is approximately 670x310 pixels. To its right, there is a series of horizontal gray bars of varying lengths, extending from the right edge of the large rectangle. These bars are arranged in a vertical stack, with the top bar being the longest and the bottom bar being the shortest. The bars are separated by thin white gaps. The overall layout suggests a data visualization or a comparison of sizes between the large rectangle and the individual bars.
