Subject: Misc county/general files

Hi Ranei, The attached list is for that box of files I showed you the last time you were here; it includes a few facilities that don't have file #s attached (I searched ECSI & YDO by their names), and general county/misc files that were in the individual permit cabinets. All of them are >15 years old.

With your ok, I'll get this sent to Records & recycle.

Thanks, as always!
Sue
