

Heritage Square Basement Security Plan

**INSPECTION REPORT**  
CITY OF ASTORIA  
PUBLIC WORKS DEPARTMENT

1095 Duane Street  
Astoria, OR 97103  
503-325-5177

TASK # 240269

INSPECTOR: Caleb Laws SIGNATURE: Caleb Laws DATE 6-20-25

Photographs of every potential access point showing security measures (gates, locks, etc.). The stormwater discharge pipes through the parking structure should also be photographed along with a photo of the discharge point. Attach to report.

Comments on the status and condition of each potential access point:

No evidence of forced entry at any of the access points.  
Signs in good shape. Storm Drains functioning as intended around spill.

Weather Conditions: Sunny, No Rain

] If raining, document estimated flow rates through the parking deck onto the soil below.

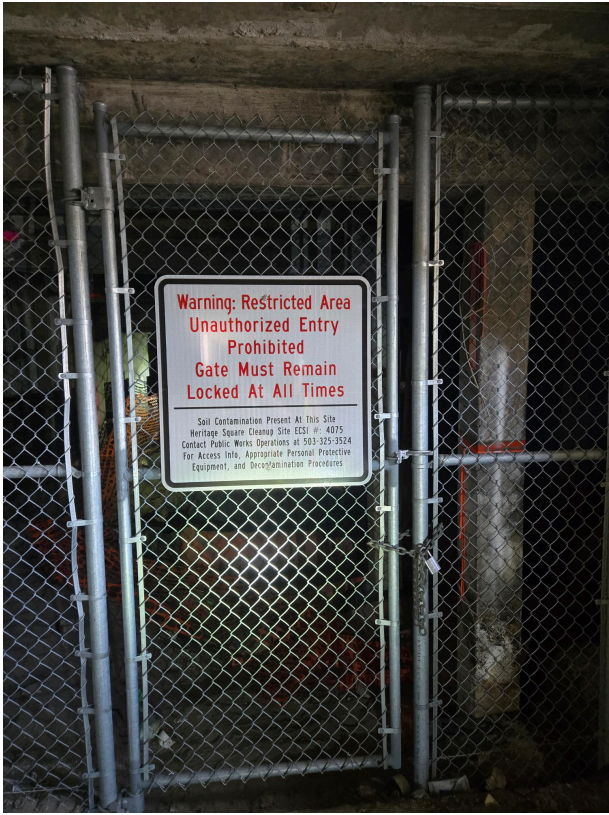

# City of Astoria Heritage Square Security Inspection Photos June 2025
