

Heritage Square Basement Security Plan

INSPECTION REPORT
CITY OF ASTORIA
PUBLIC WORKS DEPARTMENT

1095 Duane Street
Astoria, OR 97103
503-325-5177

TASK # 240269

INSPECTOR: Caleb Laws SIGNATURE: Caleb Laws DATE 7-11-25

Photographs of every potential access point showing security measures (gates, locks, etc.). The stormwater discharge pipes through the parking structure should also be photographed along with a photo of the discharge point. Attach to report.

Comments on the status and condition of each potential access point:

No signs of forced entry. Signs in good shape. Latch for vault door needs replaced.

Weather Conditions: Sunshine

If raining, document estimated flow rates through the parking deck onto the soil below.

City of Astoria Heritage Square Security Inspection Photos July 2025

Comment: Easterly chairwall/ tunnel access point. Gate secure.

Comment: Sign for 12th Street sidewalk door access point.
